Lehr, 2017-09-12 From the co author of *Black Mass* comes a gripping YA novel based on the true story of a teenage girl's murder and a young father's false imprisonment for the crime. On a hot summer night in the late 1980s in the Boston neighborhood of Roxbury a fourteen year old African American girl was sitting on a mailbox talking with her friends when she became the innocent victim of gang related gunfire. Amid public outcry an immediate manhunt was on to catch the murderer and a young African American man was quickly apprehended, charged and wrongly convicted of the crime. Dick Lehr, a former reporter for the Boston Globe's famous Spotlight Team who worked on this story three decades ago brings the case to light once more with *Trell*, a page turning novel about the daughter of the imprisoned man who persuades a reporter and a lawyer to help her prove her father's innocence. What pieces of evidence might have been overlooked? Can they manage to get to the truth before a dangerous character from the neighborhood gets to them?
