Life and Zen Haiku Poetry of Santoka Taneda Sumita Oyama, 2021-04-27 The fascinating and quirky biography of a disheveled poet skillfully interwoven with his original works Zen monk Santoka Taneda 1882 1940 is one of Japan s most beloved modern poets famous for his free verse haiku the dominant style today This book tells the fascinating story of his life liberally sprinkled with more than 300 of his poems and extracts from his essays and journals compiled by his best friend and biographer Sumita Oyama and elegantly translated by

William Scott Wilson Santoka was a literary prodigy but a notoriously disorganized human being. By his own admission he was incapable of doing anything other than wandering the countryside and writing verses. Although Santoka married and had a son, he devoted his life to poetry, studying Zen, drinking sake, and wandering the length and breadth of the Japanese islands on foot as a mendicant monk. The poet's life alternated between long periods of solitary retreat and restless travel influenced by his tragic childhood. When not on the road, he lived in simple grass huts supported by friends and family. Santoka was a lively conversationalist who was often found so drunk he could only make it home with the help of a friendly neighbor or passerby. But above all, throughout his life, he wrote constantly, and poetry and essays flowed from him effortlessly. Santoka's eccentric style of haiku is highly regarded in Japan today for being truly modern and free from formal constraints. His journals and essays are equally thought-provoking, the musings of an unkempt but supremely self-conscious mind on everything from writing to cooking rice and his failure to live a more orderly life. This translation and its introduction are by best-selling author William Scott Wilson, whose other works include *The Book of Five Rings* and *The Lone Samurai*. Wilson provides sensitive renditions of the haiku illustrating Santoka's life as well as an extensive introduction to the influences on Santoka's work from contemporary haiku poets and his Buddhist teachers. Alongside the book, readers have access to a two-hour online audio recording of 331 of Santoka's haiku, read in Japanese by a native speaker and in English.

The Demon's Sermon on the Martial Arts Sean Michael Wilson, Issai Chozanshi, 2013-03-12. A graphic novel version of this classic collection of martial arts parables written by Issai Chozanshi, an 18th-century samurai, brings these tales alive in a captivating and immediately accessible way. The stories, which feature demons, insects, birds, cats, and numerous other creatures, may seem whimsical, but they contain essential teachings that offer insight into the fundamental principles of the martial arts. Infused with Chozanshi's deep understanding of Taoism, Buddhism, Confucianism, and Shinto, the tales elucidate the nature of conflict, the importance of following one's own nature, yin and yang, the cultivation and transformation of *chi*, life energy, and the attainment of *mushin* (no mind). Ultimately, the reader learns in a visually exciting way that the path of the sword is a path of self-knowledge and leads to an understanding of life itself.

Imperial to International Stuart Wolfendale, 2013-04-01. Founded in 1849, St John's Cathedral is the oldest neogothic cathedral in East Asia and China's oldest surviving Anglican church still in operation. In its early decades, it was a centre of colonial life in Hong Kong. More recently, it has opened itself widely to other communities in Hong Kong, becoming a truly international church with services held in several languages. Drawing on extensive archives and written in a lively style, this first comprehensive history of St John's traces the cathedral's roles as a colonial parish church and as a bishop's seat for a diocese that once covered the whole of China and beyond. It also discusses St John's significance as a centre of worship for a modern cosmopolitan community.

Imperial to International is the first volume in the new series *Sheng Kung Hui Historical Studies of Anglican Christianity in China*, co-published by the Hong Kong University Press and the Hong Kong Sheng Kung Hui.
