## **Rockford Fosgate System Manual:**

*Torque*, 2007-12 Singapore's best homegrown car magazine with an editorial dream team driving it We fuel the need for speed

*Want Not* Jonathan Miles, 2013-11-05 A shrewd funny and sometimes devastating novel about the things we desire and the things we throw away Entertainment Weekly A New York Times Notable Book A highly inventive corrosively funny story of our times *Want Not* exposes three different worlds in various states of disrepair a young freegan couple living off the grid in New York City a once prominent linguist sacked at midlife by the dissolution of his marriage and his father's losing battle with Alzheimer's and a self-made debt collecting magnate whose brute talent for squeezing money out of unlikely places has yielded him a royal existence trophy wife included *Want and desire* propel these characters forward toward something anything more until their worlds collide briefly randomly yet irrevocably in a shattering ending that will haunt readers long after the last page is turned Its pleasures are endless Joshua Ferris author of *Then We Came to the End* Terrific The novel may begin with prickly satire it may dig deep into America's disposable lifestyle but it ultimately pivots to scenes of surprising tenderness a novel to hoard The Washington Post Leaps nimbly from topic to topic from freeganism to conspicuous consumption from Manhattan's Alphabet City to residential New Jersey to the backwoods of Tennessee and from neighbors with nothing but geographical location in common to sisters who share nothing but blood Sitting down with *Want Not* is like finding yourself opposite the most interesting person at a dinner party It pulls you in immediately makes you shake your head in wonder and delight at your new companion's wit originality and compelling turns of phrase and best of all surprises you into laughter Pittsburgh Post Gazette For readers who relish extravagant language scathing wit and philosophical heft *Want Not* wastes nothing Kirkus Reviews starred review
