Rockland America Through Time:

Rockland John Galluzzo and Donald Can, 2014 When Rockland was king shoes were its currency As part of a seven town shoe manufacturing district that saw its heyday between the 1880s and 1920s Rockland helped make one quarter of all the shoes being worn on American feet during that time period The factory names represented the best the country had to offer Just Wright Emerson Hurley Brothers and more Time has changed all that In *Rockland Through Time* we return to those golden days through the collections of the Dyer Memorial Library and the Historical Society of Old Abington and then fast forward to today to see what has become of the buildings and homes that made Rockland the South Shore gem that it was

Hingham Stephen Dempsey and Alexander Macmillan, 2014 When the Reverend Peter Hobart disembarked in 1635 near what is now the intersection of North and Ship streets he knew that he had found a gem Roughly 20 miles south of Boston Massachusetts Hingham has a rich history of fishing industry and recreation Once the leading mackerel fishing port on the eastern seaboard and later known as Bucket Town for the woodenware it produced Hingham gradually became a bedroom community whose population works elsewhere for the most part The Town has fortunately preserved much of its historic character which in addition to its waterfront amenities recreational facilities and outstanding educational system continue to make us an attractive and sought after place to live Never before published photographs along with some old favorites from various collections help to bring Hingham's evolutionary story to life in this series and provide a window into its heritage Enjoy these glimpses of Hingham then and now to see for yourself that although there are many new buildings and altered neighborhoods many scenes from yesterday are still familiar As former town resident Governor John D Long once wrote Not all has changed

Ticket to Ride: The Promise of America Don Hussey, 2013-09-01 Hussey's memoir begins with a letter to his son Gregory written a few weeks before his first deployment to Iraq as an officer in the U S Army Hussey flew to Ft Hood Texas to be with his son meet his commanding officers attend the briefing sessions and meet the other soldiers as they prepared for the long journey

to the deadly Anbar Province of western Iraq Hussey handed his letter to his son as he exited the barracks for the short bus ride to the flight line I wanted to share my life my growing up years with my son because I feared I may never see him again Hussey's letter details a story of a young boy growing up in relentless poverty and abuse There were stories from my childhood that I had never shared with him and he never asked Hussey left high school to find work and support his mother and younger brother His brother suffered continuously from bleeding episodes resulting from his being born a hemophiliac In 1965 after serving four years in the U S Air Force Hussey was faced with the greatest series of challenges one could imagine How he managed to navigate through that period has come to define him This is a story of triumph over disaster an unflinchingly honest memoir of a man with uncommon character who outwitted the odds to bring home his ticket to ride
