discussion of fiction in all sorts of media has intensified The prominence of literary critics has increased the awarding of lucrative book prizes has become more publicized and reports of the formation of reading groups have proliferated Seventeenth Century Fiction Text Transmission responds to the present interest in the novel by offering a fresh approach to the history of early modern fiction that shifts away from the outmoded rise of the novel perspective and reaches beyond the boundaries of a single national literature Starting from the literary text and looking outwards this volume focuses on the changes in prose forms and their usage at a critical point in the evolution of modern fiction and comes to grips with the instabilities of the novel and novella during this period It explores the nature of seventeenth century fiction and examines how authors fused fictional and non fictional materials to create new hybrid genres Furthermore it takes into consideration the cultural interchange between different geographical regions and languages English French Spanish Italian Neo Latin and

uncovers the deeper roots of seventeenth century literary innovation by casting light on the Continental influences on the formation of the English novel and on the role played by women's writings at the time This landmark volume not only contributes to a more comprehensive history of the novel but promotes an authentic appreciation of early modern fiction

Theory into Poetry, 2022-05-20 At the beginning of the 21st century there is still no generally accepted comprehensive definition of the lyric or differentiated modern toolkit for its analysis The reception of poetry is largely characterised either by an empathetic identification of critics with the lyric persona or by exclusive interest in formal patterning The present volume seeks to remedy this deficit All the contributors theorise the lyric to overcome the impasse of an impressionistic and narrowly formalistic critical debate on the genre Their papers focus on a variety of different questions the problem of establishing a framework for definition and classification the search for dynamic and potent critical approaches investigations of poetry's cultural performance and its fundamental relevance for the construction of group cohesion The essays collected in this volume offer a consciously polyphonic range of theories and interpretations suggesting to the reader a variety of theoretical frameworks and practical illustrations of how a discussion of poetry may be firmly grounded in modern literary theory
