Statement of Faith

ARTICLE I OF THE SCRIPTURES

We believe that the Holy Bible was written by men supernaturally inspired; that it has truth without any admixture of error for its matter; and therefore is, and shall remain to the end of the age, the only complete and final revelation of the will of God to man; the true center of Christian union and the supreme standard by which all human conduct, creeds, and opinions should be tried.

1. By "The Holy Bible" we mean that collection of sixty-six books, from Genesis to Revelation, as originally written does not only contain and convey the Word of God, but IS the very Word of God.
2. By "inspiration" we mean that the books of the Bible were written by holy men of old as they were moved by the Holy Spirit, in such a definite way that their writings were supernaturally and verbally inspired and free from error, as no others' writings have been or ever will be inspired.

ARTICLE II OF THE TRUE GOD

We believe that there is one, and only one, living and true God, an infinite, intelligent Spirit, the maker and supreme ruler of heaven and earth inexpressibly glorious in holiness and worthy of all possible honor, confidence, and love; that in the unity of the Godhead there are three persons, the Father, the Son, and the Holy Ghost, equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

ARTICLE III OF THE HOLY SPIRIT

The Holy Spirit is a divine Person; equal with God the Father and God the Son and the same nature; that He was active in creation; that in His relation to the unbelieving world He restrains the evil one until God's purpose is fulfilled; that He convicts of sin, of judgment, and of righteousness; that He bears witness to the truth of the Gospel in preaching and testimony; that He is the agent in the New Birth; that He seals, endues, guides, teaches, witnesses, sanctifies, and helps the believer.
