Taken by An Extraterrestrial Diana Werner, [Illicit Mate](#) Opal Carew,2018-12-08 Jenna is eager to meet her soul mate and start a happy life with him but her dream is crushed when she discovers something has gone terribly wrong

Jenna has always believed that there is one special man she's meant to spend her life with. When she and her friends are abducted by sexy aliens saying that the women are to be united with their soul mates, Jenna is thrilled. Until she meets Casey, who has always been attracted to men. In fact, one man in particular. But the pull she feels to Jenna is undeniable, albeit confusing as hell. She knows it's true love and travels across the universe to find her. The problem is going to be convincing Jenna that they're meant to be together. As insurmountable as that problem seems, the bigger problem is Darrick. He has always been in love with Casey. They grew up together. She's always been there for him, helping him through his difficult past. They knew from an early age that they were soul mates and have been happy together. Until his whole world was shattered when Casey revealed that she feels the irresistible draw to a new soul mate: An Earth woman named Jenna. When Jenna meets Darrick, she knows this is the man she's meant to be with. And try as he might, Darrick can't deny the feelings Jenna stirs in him. Casey knows what the solution is, but given his painful past, she knows Darrick will never even consider it.

Eva vowed never to surrender control to a man again, but now she is held prisoner by an alien who insists she belongs to him. Eva learned the hard way never to trust a man. Even when they claim everlasting love, it's all a lie. A free luxury resort vacation is just the ticket to forget her broken dreams and all the pain her ex has caused her. But after she steps into a VIP elevator, she winds up aboard a spaceship loaded with drop-dead gorgeous aliens too tempting to resist. Especially Commander Larson, Raaling, who claims to be her soul mate. But resist him she will. Larson knows Eva feels the same potent desire he feels for her, but her fear and stubbornness are holding her back. He knows he must be patient to win her trust, but constraining the gut-wrenching need to join with her is sheer torture. The longer she resists, their bond the closer to the breaking point. He comes. Eva tries desperately to remember all the reasons she vowed never to surrender control to a man again. But as Larson chips away at her defenses, her resistance is crumbling.
