Sharing Wisdom A Process For Group Decision:

Sharing Wisdom Mary Benet McKinney, 1987 For any person in a parish who must participate in some form of group decision making It shows that a faith filled approach to group work can help bring about a sense of church for everyone in parish ministry *Sharing Wisdom* Mary Benet McKinney, 1998 Talking Treason in Church Joseph P. Marren M.A., 2009-12 Draws from the practices of the first three centuries of the Catholic Church to provide a plan to restore the sacraments and governance of the Church to lay people s hands Marren contends that the present hierarchy of the Catholic Church have disqualified themselves as leaders of the Church by their total lack of communication with the laity their outrages against children their failure to admit guilt or do penance for those crimes and their arrogance in electing themselves to the posts they hold without consulting the laity Their writ has expired Instead of elections which tend to divide people into warring camps this book recommends consensus decision making which draws on ancient Christian tradition to discern the Church s leaders What s in this book Church history and theology from a lay viewpoint the first practical handbook for lay reform of the Church a return to early Church custom before priesthood began mass and the sacraments restored to lay celebrations lay people returned to full membership in the Church the groundwork laid for the popular election of bishops the mass made widely available in the Third World women brought to the table now as mass presiders celibacy eliminated as a requirement for mass presiders Vatican II s promises fulfilled for the people of God for lay people a long sought control over hierarchy and an indispensable toolkit for committed Catholics Practices of Dialogue in the Roman Catholic Church Bradford E. Hinze, 2006-01-01 I Have Called You Friends Kevin L. Thew Forrester, 2003-08-01 I do not call you servants any longer because the servant does not know what the master is doing but I have called you friends because I have made known to you everything that I have heard from my father John 15 15 These words of Jesus to his disciples teach that the mutuality of friendship is at the heart of a Christian community When baptized into that community we accept this mutuality and desire to serve others Kevin Thew Forrester says We can go so far as to say that to be a member of the community entails being a minister Baptism and ministry are two sides of the same coin This ministry is the responsibility of all baptized members of the church not merely the ordained Drawing on experiences of the people in the Episcopal Diocese of Northern Michigan the author challenges the whole church to seek this mutual ministry as the key to its future health and mission **ECKM2010-Proceedings of the 11th European Conference on Knowledge Management** Eduardo Tomé, 2010 **History of North American Benedictine Women** Laura Swan, 2001 A much needed research and reference bibliography for all who are interested in the history of Benedictine Women in North America Those interested in Benedictine spirituality liturgy and prayer will find useful resources here as well **A Church on the Move** Joe Paprocki, 2016-01-28 2017 Catholic Press Association Book Awards Second Place Pastoral Ministry IF FORMER CATHOLICS WERE CONSIDERED A DENOMINATION IT WOULD BE THE SECOND LARGEST DENOMINATION IN THE U S from A

Church on the Move Many statistics on the Catholic Church today are sobering and the future of the Church can seem bleak indeed The average parish often feels helpless to do anything that might help turn the tide and revitalize the Church But best selling author Joe Paprocki insists that there is good news with the right plans in place the Catholic Church and the local parish specifically will not only survive but thrive A Church on the Move offers 52 practical strategies for moving parishes forward principally by focusing on the one thing the Church can offer that the world at large cannot Jesus Christ Each chapter begins with a quote from Pope Francis and each helpful strategy falls within one of five key categories how a Church on the move thinks functions worships forms disciples and engages the world Every chapter takes an honest look at a particular problem in the Church before moving to a creative redemptive and achievable solution A Church on the Move brings to the parish level the great themes of Pope Francis papacy mission mercy and evangelization and replaces despair with a profound hope for the future of the Catholic Church Principal as Managerial Leader United States Catholic Conference.
