Notes From Underground Classic Reads From Roads:

Rent Boy Pete May, 2012-03-20 Before Pete May became a journalist he was a punk struggling to find a decent flat in Thatcher's England. Only rent landlords and asbestos stood between him and independent living. With Dexy's Midnight Runners blaring from his speakers, May searched all of London for sane roommates and functional plumbing. Finding refuge in a group of like-minded Londoners, he was able to find comedy and hope amidst the cycle of packing boxes and heartbreak. This is a story of a real estate misfit, one that should give strength to those working their way through the next rental application.

A Cultural History of Tragedy in the Modern Age Jennifer Wallace, 2021-05-20 In this book, leading scholars come together to provide a comprehensive, wide-ranging overview of tragedy in theatre and other media from 1920 to the present. The 20th century is often considered to have witnessed the death of tragedy as a theatrical genre, but it was marked by many tragic events and historical catastrophes, from two world wars and genocide to the proliferation of nuclear weapons and the anticipation and onset of climate change. The authors in this volume wrestle with this paradox and consider the degree to which the definitions, forms, and media of tragedy were transformed in the modern period and how far the tragic tradition updated in performance still spoke to 20th and 21st-century challenges. While theatre remains the primary focus of investigation in this strikingly illustrated book, the essays also cover tragic representation often re-mediated, fragmented, and provocatively questioned in film, art, and installation, photography, fiction, and creative non-fiction, documentary, reporting, political theory, and activism. Since 24/7 news cycles travel fast and modern crises cross borders and are reported across the globe more swiftly than in previous centuries, this volume includes intercultural encounters, various forms of hybridity, and postcolonial tragic representations. Each chapter takes a different theme as its focus: forms and media, sites of performance and circulation, communities of production and consumption, philosophy and social theory, religion, ritual, and myth, politics of city and nation, society and family, and gender and sexuality.

Handbook of Literary Apologetics Thomas L. Martin, 2025-08-18 Literature's probative force travels across the realm of sense in this world to what lies beyond it. When we speak of what is beyond our grasp in this world, we think most immediately of the world of the spirit. Shakespeare famously celebrates literature's power to explore the forms of things unknown. How many great works of literature guide us through a familiar world to the edge of the spiritual unknown? Not only Shakespeare but Dante, Milton, Dostoevsky, Hopkins, Eliot, O'Connor, and many others in these pages carry us there. This book follows their quest. Literary apologetics is the study of the characteristic moves by the authors who take readers on their journey of faith with them. Most notably, that tradition begins with Latin authors, spreads across Europe in a continuous literary culture, and extends over world literature to the present day. While early apologetics is proclamation, rhetoric, philosophy, and poetry, above all, it is witness to the faith manifesting itself in time. The early faith community produces a distinct literary culture as Christian witness takes all these forms and more. From then until now, this kind of literature probes ultimate questions, adumbrates numinous experience, and

extrapolates ethical outcomes of Christian teachings across a wide variety of literary forms The Handbook of Literary Apologetics provides an authoritative introduction to the scope of this tradition and its major figures

Brother-Souls Ann Charters, Samuel Charters, 2010-09-27 John Clellon Holmes met Jack Kerouac on a hot New York City weekend in 1948 and until the end of Kerouac's life they were in Holmes's words Brother Souls Both were neophyte novelists hungry for literary fame but just as hungry to find a new way of

responding to their experiences in a postwar American society that for them had lost its direction Late one night as they sat talking Kerouac spontaneously created the term Beat Generation to describe this new attitude they felt stirring around them Brother Souls John Clellon Holmes Jack Kerouac and the Beat Generation is the remarkable chronicle of this cornerstone friendship and the life of John Clellon Holmes From 1948 to 1951 when Kerouac s wanderings took him back to New York he and Holmes met almost daily Struggling to find a form for the novel he intended to write Kerouac climbed the stairs to the apartment in midtown Manhattan where Holmes lived with his wife to read the pages of Holmes s manuscript for the novel Go as they left the typewriter With the pages of Holmes s final chapter still in his mind he was at last able to crack his own writing dilemma In a burst of creation in April 1951 he drew all the materials he had been gathering into the scroll manuscript of On the Road Biographer Ann Charters was close to John Clellon Holmes for more than a decade At his death in 1988 she was one of a handful of scholars allowed access to the voluminous archive of letters journals and manuscripts Holmes had been keeping for twenty five years In that mass of material waited an untold story These two ambitious writers Holmes and Kerouac shared days and nights arguing over what writing should be wandering from one explosive party to the next and hanging on the new sounds of bebop Through the pages of Holmes s journals often written the morning after the events they recount Charters discovered and mined an unparalleled trove describing the seminal figures of the Beat Generation Holmes Kerouac Neal Cassady Allen Ginsberg William Burroughs Gregory Corso and their friends and lovers
