*PERSUASION V. CRITICAL THINKING 'The Defendant RKelly'* Dr. Charles A. Rice, PhD, Marlena K. Kent, 2021-09-27 Book editions 1 the tome does not substantiate guilt or innocence withstanding judgment and notwithstanding the illegal opinion derived from it Furthermore this tome will not include insignificant individuals not having a direct impact on the core substance or and again being inconsequential overtly acknowledging all edicts to be alleged We will explore the dimensions of our psyche related to truth by reaching beyond the obvious and by viewing things through the microscope exploring what might be possible and impossible and applying truth wherever possible the depths of a multifaceted approach regarding

reason thought and truth and how all of it might relate and making use of the telescope to glance beyond the right now and to consider where it is possible for the truth and reality to coexist in its totality and not in part being detailed in our considerations and understanding allowing the truth to evolve into more truths and by grasping truths philosophies If it s true and according to his supporters beliefs It s about RKelly s catalog and its value however that premise fails in comparison to RKelly s assertion that I m fighting for my Life while others assert that things about RKelly being a pedophile nevertheless what comes first is the evaluation of the charges because what is immediate are the charges he faces while money may be a factor on the surface I can assess that his money woes begin long before these charges but the accusation has swirled regarding underage activity with a plethora of NDA s but could it be the result of being misunderstood or perception The tome also serves as a manuscript of the way we saw things playing out writing a script to the saga by capturing the components for a written script or movie the idea was to capture things before they transpired and predicting the outcome through interviews research and virtual interactions of the main players this is volume two but this tome includes volume 1 for more concise play by play interactive addition
