

Showing Content with Polycom People on Content™

The Polycom People on Content™ feature allows you to show yourself on top of content that you are sharing. The effect is similar to a weather newscast on television.

Contact your administrator for information about enabling or configuring People on Content.

Follow these guidelines when you are presenting content with People on Content:

- Wear solid neutral-colored clothes.
- Avoid wearing black, white, or the color of your background.
- Make sure that the room is well lit.
- Stand about 3 feet in front of the background to avoid casting shadows on it.

To show content with People on Content:

- 1 Make sure that the content you want to show is ready.
- 2 Press  Option on the remote control.
- 3 Select People on Content.

The icons for the foreground and background video sources move up slightly on the screen. The camera moves to the preset location. Content is displayed in place of the background.

The foreground and background video sources are configured by the administrator. You can adjust the camera or choose a different foreground video source after you start showing content with People on Content.

To stop showing content with People on Content:

- 1 Press  Option on the remote control.
- 2 Select People on Content.
