cynical anti establishment films of the 60s and 70s and the sci fi and fantasy blockbusters of today Lindvall considers how the presentation of cinematic prayer varies across race age and gender and places the use of prayer in film in historical context shedding light on the religious currents at play during those time periods God on the Big Screen demonstrates that the way prayer is presented in film during each historical period tells us a great deal about America's broader relationship with Roger Ebert's Movie Yearbook Roger Ebert, 2005 100 Spiritual Movies to See before You Die John A.
