Michelle Plott,Lauri Umansky,2000 Making Sense of Women s Lives presents a wide range of writings about women s lives in the United States Michele Plott and Lauri Umansky have drawn on their experiences as both students and professors to assemble the collection Seeking to provide as full a sampling from a diverse and intellectually vibrant field as one volume permits the editors have also chosen writing that makes an enjoyable read A few of the selections here represent the undisputed classics of the field More of them constitute simply the works drawn from academic and nonacademic sources

alike that could make a difference in understanding what it means to be female in America Making Sense of Women s Lives is intended as the primary text in Women s Studies courses With that usage in mind Plott and Umansky have provided brief introductions to each article to help students understand the author s perspectives Thought and discussion questions follow each selection The book contains as well numerous Flash Exercises suggestions for class exercises and activities The editors have used these activities in their courses over the past decade in conjunction with readings in this volume and have found that the full complement of materials coalesces into an intellectually powerful introduction to Women s Studies A Collegiate Press book

Schoolgirls, Money and Rebellion in Japan Sharon Kinsella,2013-11-07 Japanese society in the 1990s and 2000s produced a range of complicated material about sexualized schoolgirls and few topics have caught the imagination of western observers so powerfully While young Japanese girls had previously been portrayed as demure and obedient in training to become the obedient wife and prudent mother in recent years less than demure young women have become central to urban mythology and the content of culture The cultic fascination with the figure of a deviant school girl which has some of its earliest roots in the nineteenth and early twentieth centuries likewise re emerged and proliferated in fascinating and timely ways in the 1990s and 2000s Through exploring the history and politics underlying the cult of girls in contemporary Japanese media and culture this book presents a striking picture of contemporary Japanese society from the 1990s to the start of the 2010s At its core is an in depth case study of the media delight and panic surrounding delinquent prostitute schoolgirls Sharon Kinsella traces this social panic back to male anxieties relating to gender equality and female emancipation in Japan In each chapter in turn the book reveals the conflicted nostalgic pornographic and at times distinctly racialized manner in which largely male sentiments about this transformation of gender relations have been expressed The book simultaneously explores the stylistic and flamboyant manner in which young women have reacted to the weight of an obsessive and accusatory male media gaze Covering the often controversial subjects of compensated dating enjo k sai the role of porn and lifestyle magazines the historical sources and politicized social meanings of the schoolgirl and the racialization of fashionable girls Schoolgirls Money Rebellion in Japan will be invaluable to students and scholars of Japanese culture and society sociology anthropology gender and women s studies

Teaching and Confronting Racial Neoliberalism in Higher Education Michelle D. Byng,Vaso Thomas,Donna-Marie Peters,Adriana Leela Bohm,Mary Stricker,2023-10-19 This book examines the way in which professors must confront the social implications of racial neoliberalism Drawing on autoethnographic research from the authors combined 100 years of teaching experience it recognizes the need for faculty to negotiate their own experiences with race as well as those of their students It focuses on the experiential nature of teaching supplementing the fields focus on pedagogy and recognizes that professors must in fact highlight rather than downplay the realities of racial inequalities of the past and present It explores the ability of instructors to make students who are not of color feel that they are not racists as well as their ability to make students of color feel that they can present their
