STALINGRAD ON THE YANGTZE

PETER HARMSEN

Shanghai 1937 Stalingrad On The Yangtze

Rory Laird

Shanghai 1937 Stalingrad On The Yangtze:

Shanghai 1937 Peter Harmsen, 2013 This deeply researched book describes one of the great forgotten battles of the 20th century At its height it involved nearly a million Chinese and Japanese soldiers while sucking in three million civilians as unwilling spectators and often victims It turned what had been a Japanese adventure in China into a general war between the two oldest and proudest civilizations of the Far East Ultimately it led to Pearl Harbor and to seven decades of tumultuous history in Asia The Battle of Shanghai was a pivotal event that helped define and shape the modern world In its sheer scale the struggle for China's largest city was a sinister forewarning of what was in store for the rest of mankind only a few years hence in theaters around the world It demonstrated how technology had given rise to new forms of warfare or had made old forms even more lethal Amphibious landings tank assaults aerial dogfights and most importantly urban combat all happened in Shanghai in 1937 It was a dress rehearsal for World War II or perhaps more correctly it was the inaugural act in the war the first major battle in the global conflict Actors from a variety of nations were present in Shanghai during the three fateful autumn months when the battle raged The rich cast included China's ascetic Generalissimo Chiang Kai shek and his Japanese adversary General Matsui Iwane who wanted Asia to rise from disunity but ultimately pushed the continent toward its deadliest conflict ever Claire Chennault later of Flying Tiger fame was among the figures emerging in the course of the campaign as was First Lady Eleanor Roosevelt In an ironic twist Alexander von Falkenhausen a stern German veteran of the Great War abandoned his role as a mere advisor to the Chinese army and led it into battle against the Japanese invaders Written by Peter Harmsen a foreign correspondent in East Asia for two decades and former bureau chief in Taiwan for the French news agency AFP *Shanghai 1937* fills a gaping chasm in our understanding of the Second World War

Shanghai 1937 Peter Harmsen, 2015-10-20 The New York Times bestseller that inspired the documentary *Shanghai 1937* Where World War II Began on Public Television At its height the Battle of Shanghai involved nearly a million Chinese and Japanese soldiers while sucking in three million civilians as unwilling spectators and often victims It turned what had been a Japanese imperialist adventure in China into a general war between the two oldest and proudest civilizations of the Far East Ultimately it led to Pearl Harbor and to seven decades of tumultuous history in Asia The Battle of Shanghai was a pivotal event that helped define and shape the modern world In its sheer scale the struggle for China's largest city was a sinister forewarning of what was in store only a few years later in theaters around the world It demonstrated how technology had given rise to new forms of warfare and had made old forms even more lethal Amphibious landings tank assaults aerial dogfights and most important urban combat all happened in Shanghai in 1937 It was a dress rehearsal for World War II or perhaps more correctly it was the inaugural act in the war the first major battle in the global conflict Actors from a variety of nations were present in Shanghai during the three fateful autumn months when the battle raged The rich cast included China's ascetic Generalissimo Chiang Kai shek and his Japanese adversary General Matsui Iwane who wanted Asia to rise from disunity but

ultimately pushed the continent toward its deadliest conflict ever Claire Chennault later of Flying Tiger fame was among the figures emerging in the course of the campaign as was First Lady Eleanor Roosevelt In an ironic twist Alexander von Falkenhausen a stern German veteran of the Great War abandoned his role as a mere advisor to the Chinese army and led it into battle against the Japanese invaders Shanghai 1937 fills a gaping chasm in our understanding of the War of Resistance and the Second World War **Nanjing 1937** Peter Harmsen,2015-11-17 A true story of the Sino Japanese conflict A valuable account of a little known event and a grim reminder of the darker side of war Military History Monthly The infamous Rape of Nanjing looms like a dark shadow over the history of Asia in the twentieth century and is among the most widely recognized chapters of World War II in China By contrast the story of the month long campaign before this notorious massacre has never been told in its entirety Nanjing 1937 by Peter Harmsen fills this gap This is the follow up to Harmsen s bestselling Shanghai 1937 Stalingrad on the Yangtze and begins where that book left off In stirring prose it describes how the Japanese Army having invaded the mainland and emerging victorious from the Battle of Shanghai pushed on toward the capital Nanjing in a crushing advance that confirmed its reputation for bravery and savagery in equal measure While much of the struggle over Shanghai had carried echoes of the grueling war in the trenches two decades earlier the Nanjing campaign was a fast paced mobile operation in which armor and air power played major roles It was blitzkrieg two years before Hitler s invasion of Poland Facing the full might of modern mechanized warfare China s resistance was heroic but ultimately futile As in Shanghai the battle for Nanjing was more than a clash between Chinese and Japanese Soldiers and citizens of a variety of nations witnessed or took part in the hostilities German advisors American journalists and British diplomats all played important parts in this vast drama And a new power appeared on the scene Soviet pilots dispatched by Stalin to challenge Japan s control of the skies This epic tale is told with verve and attention to detail by Harmsen a veteran East Asia correspondent who consolidates his status as the foremost chronicler of World War II in China with this path breaking work of narrative history **A History of Modern Urban Operations** Gregory Fremont-Barnes,2019-11-21 This book investigates the complexities of modern urban operations a particularly difficult and costly method of fighting and one that is on the rise Contributors examine the lessons that emerge from a range of historical case studies from nineteenth century precedents to the Battle of Shanghai Stalingrad German town clearance Mandalay and Berlin during World War II and from the Battle of Algiers to the Battle for Fallujah in 2004 Each case study illuminates the features that differentiate urban operations from fighting in open areas and the factors that contribute to success and failure The volume concludes with reflections on the key challenges of urban warfare in the twenty first century and beyond [Eight Hundred Heroes](#) Stephen Robinson,2022-06-15 Acclaimed historian Stephen Robinson brings to life a legendary last stand Shanghai 1937 With invading Japanese troops poised to capture one of the world s greatest cities after almost three months of brutal urban warfare the Chinese Army begins to retreat except for a single battalion that stays behind to fight These soldiers led by

Lieutenant Colonel Xie Jinyuan known as the Eight Hundred Heroes defended Sihang Warehouse a six storey concrete building and natural fortress The men repulsed waves of Japanese attacks with intense bravery as thousands of spectators looked on from the relative safety of the British Concession inside Shanghai's International Settlement Western journalists with front row seats to the spectacle spread the story across the globe as the plight of the heroes captured the sympathy of the world Their valour raised Chinese morale as did the actions of the heroine Yang Huimin a Girl Guide who delivered a Chinese flag to the defenders that flew over Sihang Warehouse as a beacon of hope Eight Hundred Heroes is an in depth account resulting from extensive research that for the first time comprehensively utilises first hand accounts of the Chinese participants and the observations of westerners who witnessed the battle at close range It also explains how this incredible feat of heroism became an enduring myth that helped define modern China

China Under Mao Andrew George Walder, 2015-04-06 China's Communist Party seized power in 1949 after a long period of guerrilla insurgency followed by full scale war but the Chinese revolution was just beginning China Under Mao narrates the rise and fall of the Maoist revolutionary state from 1949 to 1976 an epoch of startling accomplishments and disastrous failures steered by many forces but dominated above all by Mao Zedong Walder convincingly shows that the effect of Maoist inequalities still distorts China today It will be a mind opening book for many and is a depressing reminder for others Jonathan Mirsky The Spectator

Andrew Walder's account of Mao's time in power is detailed sophisticated and powerful Walder takes on many pieces of conventional wisdom about Mao's China and pulls them apart What was it that led so much of China's population to follow Mao's orders in effect to launch a civil war against his own party There is still much more to understand about the bond between Mao and the wider population As we try to understand that bond there will be few better guides than Andrew Walder's book Sober measured meticulous in every deadly detail it is an essential assessment of one of the world's most important revolutions Rana Mitter Times Literary Supplement

The Lee Family of Northern River Bank Venna Chee Wan Lee, 2015-11-09 In this magnificent family saga Venna Chee Wan Lee brings to life the extraordinary story of four generations of Chinese ancestors Her search for the family history led to the family's lost Zong Pu clan histories which spanned thirty two generations and more than three thousand years This book is Author's quest to preserve a lineage's history for a western audience The family history begins with an intimate personal portrait of her great grandmother a young widow and a devout Buddhist whose Christian son married three wives built a business and served as the patriarch of four families during a time of extreme cultural and political change Lee vividly brings to life a colorful cast of relatives who lived through the turbulent years of recent Chinese history as China evolved from a farming feudal system to a modern society

The World at War, 1914-1945 Jeremy Black, 2019-04-03 This text provides an innovative global military history that joins three periods World War I the interwar years and World War II Jeremy Black offers a comprehensive survey of both wars comparing continuities and differences He traces the causes of each war and assesses land sea and air warfare as separate dimensions He argues

that the unprecedented nature of the two wars owed much to the demographic and industrial strength of the states involved and their ability and determination to mobilize vast resources Yet the demands of the world wars also posed major difficulties not simply in sustaining the struggle but also in conceiving of practical strategies and operational methods in the heat and competition of ever evolving conflict In this process resources skills leadership morale and alliance cohesion all proved significant In addition to his military focus Black considers other key dimensions of the conflicts especially political and social influences and impacts He thoroughly integrates the interwar years tracing the significant continuities between the two world wars He emphasizes how essential American financial industrial agricultural and energy resources were to the Allies both before and after the United States entered each war Bringing the two world wars to life Black sheds light not only on both as individual conflicts but also on the interwoven relationships between the two

Land Warfare since 1860 Jeremy Black, 2018-08-10 This cogent global history traces the evolution of land warfare since the start of the Crimean War Jeremy Black argues that although it has always been critical to the outcome of conflicts worldwide land warfare has become undervalued in comparison to air power in modern military thinking In practice land warfare was crucial during the American Civil War the two world wars and the conflicts of the Cold War Indeed the revival of great power confrontation has led to an urgent need to re examine the entire contemporary period Looking to the future the book shows convincingly that we must consider the nature of the military for non state actors as well for as the major powers Ultimately Black contends there is no substitute for the control over territory provided by boots on the ground

Fragile Cargo Adam Brookes, 2023-02-14 Spring 1933 Peking s Forbidden City is tense with fear and expectation Japan s aircraft drone overhead its troops and tanks are only hours away How will the curators protect the vast imperial art collections in their charge A million pieces of art objects that carry China s deepest and most ancient memories For sixteen years the curators under the leadership of museum director Ma Heng would transport the imperial art collection thousands of miles across China Brookes details the story of a curators and their fragile invaluable cargo adapted from jacket

Fascist Warfare, 1922-1945 Miguel Alonso, Alan Kramer, Javier Rodrigo, 2019-11-26 This groundbreaking book explores the interpretative potential and analytical capacity of the concept fascist warfare Was there a specific type of war waged by fascist states The concept encompasses not only the practice of violence at the front but also war culture the relationship between war and the fascist project and the construction of the national community Starting with the legacy of the First World War and using a transnational approach this collection presents case studies of fascist regimes at war spanning Nazi Germany Fascist Italy Francoist Spain Croatia and Imperial Japan Themes include the idea of rapid warfare as a symbol of fascism total war the role of modern technology the transfer of war cultures between regimes anti partisan warfare as a key feature and the contingent nature and limits of fascist warfare

China 1945 Richard Bernstein, 2015-10-27 At the beginning of 1945 relations between America and the Chinese Communists couldn t have been closer Chinese leaders talked of America helping

to lift China out of poverty Mao Zedong himself held friendly meetings with U S emissaries By year s end Chinese Communist soldiers were setting ambushes for American marines official cordiality had been replaced by chilly hostility and distrust a pattern which would continue for a quarter century with the devastating wars in Korea and Vietnam among the consequences In China 1945 Richard Bernstein tells the incredible story of the sea change that took place during that year brilliantly analyzing its far reaching components and colorful characters from diplomats John Paton Davies and John Stewart Service to Time journalist Henry Luce in addition to Mao and his intractable counterpart Chiang Kai shek and the indispensable Zhou Enlai A tour de force of narrative history China 1945 examines American power coming face to face with a formidable Asian revolutionary movement and challenges familiar assumptions about the origins of modern Sino American relations

T-34 Shock: The Soviet Legend in Pictures Francis Pulham, Will Kerrs, 2021-07-11 The Soviet T 34 medium tank needs no introduction being the most famous tank ever built especially as has seen service across the globe throughout the twentieth century s most brutal wars However despite this fame little has been written about its design changes While most tank enthusiasts can differentiate between the T 34 76 and the T 34 85 identifying different factory production batches has proven more elusive Until now With nearly six hundred photographs mostly taken by soldiers who both operated and fought against the T 34 this book seeks to catalogue and contextualise even the subtlest details to create a true T 34 continuum The book begins with the antecedents of the T 34 the ill fated BT fast tank series and the influence of the traumatic Spanish Civil War before moving to an in depth look at the T 34 s prototypes After this every factory production change is catalogued and contextualised with never before seen photographs and stunning technical drawings Furthermore four battle stories are also integrated to explain the changing battle context when major production changes take place The production story is completed with sections on the T 34 s post war production and modification by Czechoslovakia Poland and the People s Republic of China as well as T 34 variants

No Accidental Death Garrett Hutson, 2021-08-16 An accidental casualty of battle or murder August 1937 the Japanese have invaded northern Shanghai and a fierce battle rages across the city but the International Settlement is an island of safety When an American seaman is found shot on the edge of the urban battleground Doug Bainbridge is assigned to investigate for the navy But what seems a case of foolhardy drunken daredevil sightseeing gone wrong becomes more sinister when Doug learns it wasn t a Chinese or Japanese military gun that shot Seaman Nick Bonadio His was no accidental death Can Doug solve Nick s murder before the murderer comes for him Book 3 in the Death in Shanghai series of historical mysteries No Accidental Death continues our journey with Doug Lucy Jonesy and the rest of their friends in 1930s Shanghai plus a few new faces you ll love While Doug works to solve a murder in a war zone new chapters will be written in their lives and relationships and nothing will ever be the same What twists and turns lie in store Read No Accidental Death and find out This is a traditional historical mystery with crossover appeal for fans of LGBT fiction

Revolution, Counterrevolution and Assassination Through World War II Robert C. Cottrell, 2024-12-13 Since the

French Revolution the quest for revolutionary transformation and the fear of such change became deeply ingrained in the global landscape through World War II Modern revolutions inspired counterrevolutions that strove to turn back time to an allegedly purer finer more moral period than the upheaval and anarchy linked to a revolutionary epoch Revolutions often occurred through violence and entailed a disruption of existing social economic and political orders Counterrevolutions were equally guilty and frequently more so of horrific bloodletting in the name of restoring law and order often by shredding legal and ethical norms Drawing from a vast array of sources both primary and secondary this first of a two volume set presents a highly detailed narrative of an unholy trinity revolution counterrevolution and assassination Combining intellectual political social and cultural history this book highlights international protagonists movements and ideas supporting the radical or reactionary upheaval of society and the means that have been used to do so

Technology, Violence, and War

,2019-02-11 This volume explores the importance of technology in war and to the study of warfare Dr Guilmartin s former students explore how technology from the medieval to the modern era and across several continents was integral to warfare and to the outcomes of wars Authors discuss the interactions between politics grand strategy war technology and the socio cultural implementation of new technologies in different contexts They explore how and why belligerents chose to employ new technologies the intended and unintended consequences of doing so the feedback loops driving these consequences and how the warring powers came to grips with the new technologies they unleashed This work is particularly useful for military historians military professionals and policymakers who study and face analogous situations Contributors are Alan Beyerchen Robert H Clemm Edward Coss Sebastian Cox Daniel P M Curzon Sarah K Douglas Robert S Ehlers Jr Andrew de la Garza John F Guilmartin Jr Matthew Hurley Peter Mansoor Edward B McCaul Jr Michael Pavelec William Roberts Robyn Rodriguez Clifford J Rogers William Waddell and Corbin Williamson

The Twenty-Second Amendment and the Limits of Presidential Tenure Martin B. Gold,2019-11-27 For nearly a century and a half Americans lived by a powerful tradition in which no President served more than two terms Then came Franklin Delano Roosevelt restricted by custom but not by law who won a third term in 1940 and a fourth in 1944 Believing that the broken norm would be breached again the Republican controlled eightieth Congress acted to restore it passing a constitutional change in 1947 to formalize an absolute limit on presidential tenure Ratified in 1951 the Twenty second Amendment created a lame duck out of every two term incumbent since Truman and has had an enormous effect on the institution of the Presidency public policy and national politics Critics believe the Amendment diminishes the presidential office however Martin B Gold contends it serves to maintain checks and balances central to the American Constitution while examining Presidents and term limits from the spirited debates in the Constitution Convention the role of custom in an unwritten Constitution and the Twenty second Amendment itself

Shanghai Grand

Taras Grescoe,2016-06-14 The true story of a British aristocrat an American flapper and a Chinese poet trapped in an unlikely love triangle amid the decadence of Jazz Age Shanghai On the eve of World War II the foreign controlled port of

Shanghai was the rendezvous for the twentieth century's most outlandish adventurers all under the watchful eye of the fabulously wealthy Sir Victor Sassoon Emily Mickey Hahn was a legendary New Yorker journalist whose vivid writing played a crucial role in opening Western eyes to the realities of life in China At the height of the Depression Hahn arrives in Shanghai after a disappointing affair with an alcoholic Hollywood screenwriter convinced she would never love again After checking in to Sassoon's glamorous Cathay Hotel Hahn is absorbed into the social swirl of the expats drawn to pre-war China among them Ernest Hemingway Martha Gellhorn Harold Acton and a colorful gangster named Morris Two Gun Cohen But when she meets Zou Xinmai a Chinese poet from an illustrious family she discovers the real Shanghai through his eyes the city of rich colonials triple agents opium smokers displaced Chinese peasants and increasingly desperate White Russian and Jewish refugees a place her innate curiosity will lead her to explore firsthand Danger lurks on the horizon though as the brutal Japanese occupation destroys the seductive world of pre-war Shanghai paving the way for Mao Tse-tung's Communists rise to power Praise for Shanghai Grand A headlong swoon for old Shanghai The feeling is easy to catch The New York Times Book Review Filled with excellent short character sketches and keeps the reader turning the pages to find out what happens next Brings to life a special time and a special place The Wall Street Journal Grescoe exuberantly captures the glamour and intrigue of a lost world Kirkus Reviews

From Shanghai to the Burma Railway Rory Laird, 2020-04-30 A graphic record of one man's experience in an infamous POW camp during World War II and how he survived being forced to build the Death Railway Captured after fighting in the Malayan Campaign Richard Laird was incarcerated in Changi before being drafted as slave labor with F Force on the notorious Burma Railway He was one of only 400 out of 1600 to survive Songkurai No 2 Camp despite disease and terrible hardship His moving memoir begins with a rare description of expatriate life in 1930s Shanghai with the Sino-Japanese war raging around the European cantonments An additional dimension to his story is the developing relationship between the author and Bobbie Coupar Patrick to whom he became engaged shortly before the fall of Singapore Bobbie's letters graphically described her dramatic escape to Australia and work for Force 136 They were reunited in Colombo Ceylon and their son has been instrumental in compiling this exceptional record Three appendices round off this superb book including the official report on the hardships and losses suffered by F Force A compelling story that deserves to be widely read Firetrench

Last Boat Out of Shanghai Helen Zia, 2020-02-18 The dramatic real life stories of four young people caught up in the mass exodus of Shanghai in the wake of China's 1949 Communist revolution a heartrending precursor to the struggles faced by emigrants today A true page-turner Helen Zia has proven once again that history is something that happens to real people New York Times bestselling author Lisa See NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND THE CHRISTIAN SCIENCE MONITOR FINALIST FOR THE PEN JACQUELINE BOGRAD WELD AWARD FOR BIOGRAPHY Shanghai has historically been China's jewel its richest most modern and westernized city The bustling metropolis was home to sophisticated intellectuals entrepreneurs and a thriving middle class when Mao's

proletarian revolution emerged victorious from the long civil war Terrified of the horrors the Communists would wreak upon their lives citizens of Shanghai who could afford to fled in every direction Seventy years later members of the last generation to fully recall this massive exodus have revealed their stories to Chinese American journalist Helen Zia who interviewed hundreds of exiles about their journey through one of the most tumultuous events of the twentieth century From these moving accounts Zia weaves together the stories of four young Shanghai residents who wrestled with the decision to abandon everything for an uncertain life as refugees in Hong Kong Taiwan and the United States Benny who as a teenager became the unwilling heir to his father s dark wartime legacy must decide either to escape to Hong Kong or navigate the intricacies of a newly Communist China The resolute Annuo forced to flee her home with her father a defeated Nationalist official becomes an unwelcome exile in Taiwan The financially strapped Ho fights deportation from the U S in order to continue his studies while his family struggles at home And Bing given away by her poor parents faces the prospect of a new life among strangers in America The lives of these men and women are marvelously portrayed revealing the dignity and triumph of personal survival Herself the daughter of immigrants from China Zia is uniquely equipped to explain how crises like the Shanghai transition affect children and their families students and their futures and ultimately the way we see ourselves and those around us Last Boat Out of Shanghai brings a poignant personal angle to the experiences of refugees then and by extension today Zia s portraits are compassionate and heartbreaking and they are ultimately the universal story of many families who leave their homeland as refugees and find less than welcoming circumstances on the other side Amy Tan author of The Joy Luck Club

Shanghai 1937 Stalingrad On The Yangtze Introduction

In today's digital age, the availability of Shanghai 1937 Stalingrad On The Yangtze books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shanghai 1937 Stalingrad On The Yangtze books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shanghai 1937 Stalingrad On The Yangtze books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shanghai 1937 Stalingrad On The Yangtze versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shanghai 1937 Stalingrad On The Yangtze books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shanghai 1937 Stalingrad On The Yangtze books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shanghai 1937 Stalingrad On The Yangtze books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical

documents. In conclusion, Shanghai 1937 Stalingrad On The Yangtze books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shanghai 1937 Stalingrad On The Yangtze books and manuals for download and embark on your journey of knowledge?
