Nevada Law And Constitution Test Study Guide:

The Internet and Constitutional Law Oreste Pollicino, Graziella Romeo, 2016-01-13 This book analyses emerging constitutional principles addressing the regulation of the internet at both the national and the supranational level These principles have arisen from cases involving the protection of fundamental rights This is the reason why the book explores the topic thorough the lens of constitutional adjudication developing an analysis of Courts argumentation The volume examines the gradual consolidation of a constitutional core of internet law at the supranational level It addresses the European Court of Human Rights and the Court of Justice of the European Union case law before going on to explore Constitutional or Supreme Courts decisions in individual jurisdictions in Europe and the US The contributions to the volume discuss the possibility of the constitutionalization of internet law calling into question the thesis of the so called anarchic nature of the internet

Key Legal Issues for Schools Charles J. Russo, 2013-01-04 School business officials SBOs must in many respects serve as all things to all people in their workplaces Put another way SBOs must be knowledgeable about a wide range of legal issues ranging from contracts to setting policy to state bidding laws let alone constitutional matters involving the rights of students and teachers Aware of the fact that issues involving the law are at the heart of many of a SBO s duties the chapters in this edited book have been written by a diverse array of individuals with experience as educational leaders in schools and or who possess significant expertise in the School Law In light of the need to keep SBOs up to date on many issues in the ever changing world of Education Law this volume is divided into two parts The first section deals with issues that primarily impact on the management of schools while the second deals with the rights of students and teachers More specifically each of the chapters is designed to examine a specific area about which SBOs need information While no single book can ever hope to cover all of the myriad of legal topics that SBOs and other educational leaders must master in their professional lives this book will serve as an up to date and ready source of information to help keep them abreast of the many changes in the ever evolving area of School Law

The Constitution of Arbitration Victor Ferreres Comella, 2021-03-11 This work is the first systematic discussion of arbitration from a constitutional perspective covering the most important types of arbitration including domestic arbitration in private law international commercial arbitration investment treaty arbitration and state to state arbitration Victor Ferreres Comella argues for the recognition of a constitutional right to arbitration in the private sphere and discusses the constraints that the state is entitled to place on this right He also explores the conditions under which investment treaty arbitration is constitutionally legitimate and highlights the shortcomings of international adjudication from a constitutional perspective The rich landscape of arbitration is explained in clear language avoiding unnecessary technical jargon Using examples drawn from a wide variety of domains Ferreres bridges the gap between constitutional and arbitral theory *Harvard Law Review: Volume 130, Number 1 - November 2016* Harvard Law
