New Good Food Guide Answers:

The (Good) Food Solution Meredyth Fletcher, 2024-08-20 Get to know your body by discovering how good food can be. God gave you one physical body so you can live, move and breathe and He gave you a vital resource to fuel it: food. But because of damaging diet culture and pervasive body shaming messages, it can be hard to have a relaxing, enjoyable relationship with food. Nutritionist Meredyth Fletcher believes that your perspective on food is directly impacted by your view of God and in *The Good Food Solution* she will help you shift any distorted perceptions on food to see it as a gift from God to nourish your body rather than a burden. This journey isn't about trying the next fad diet or seeking a quick fix; it's about finding the right balance for you. Drawing from personal stories and current research, Meredyth provides the tools you need to take an in-depth look at your emotions to uncover why you hold on to negative narratives about food, learn scientifically based and biblically sound mind/body tools to forever change how you approach your health, and discover how having a healthy gut is the secret to attaining the God-given nutritional benefits of the food you eat and see real results. God gave you a good body and it's up to you to give it what it needs. With Meredyth as your trustworthy guide, *The Good Food Solution* offers a shame-free invitation to bring Jesus into your most vulnerable places, take back your health, and experience food and body freedom for good. Bonus Content Includes: Lists of Good Foods and Foods to Avoid, Go-To Supplements, FAQ and Discussion Guide.
