teachers face many challenges including teaching in multilingual classrooms addressing diverse learning needs and engaging families and communities. These difficulties can make it challenging for new teachers to feel supported and to develop the skills needed to provide high quality instruction to English Learners (ELs). The field also lacks professional development opportunities creating a sense of isolation. *Mentoring and Reflective Teachers in ESOL and Bilingual Education* is a practical solution to these challenges. The book draws on expert educators' experiences to offer strategies and best practices that can be used to support new ESOL teachers' professional development. The book emphasizes the importance of collaboration, reflective practice and ongoing professional development offering concrete examples of how these practices can be implemented in real world contexts. This comprehensive guide covers various professional activities that can help improve classroom instruction for ELs and encourage family and community involvement. Topics include mentoring in ESOL teacher education, professional development and support for ESOL teachers, guided practice and professional growth of teachers of culturally and linguistically diverse learners, collaborative networks of ESOL teachers, building a community of reflective practice and best practices in ESOL education. With this book, ESOL and bilingual education teachers can gain the support they need to provide high quality instruction to ELs and build strong relationships with families and communities.

*The Assessment of Multilingual Learners* Kate Mahoney, 2024-09-10. This book is a comprehensive introduction to the topic of assessing students who use two or more languages in their daily life. The book provides foundational information for assessing multilingual learners (MLs) in schools with an emphasis on school language and content. Major assessment ideas are viewed through a framework called PUMI (Purpose, Use, Method, and Instrument) to help readers focus on important assessment principles leading to better quality assessments for MLs. This is a substantially revised and updated second edition of *The Assessment of Emergent Bilinguals*. Updates in this edition include a greater focus on multilingual assessment and assessment in language contexts in addition to English/Spanish. This edition addresses both the current politics of multilingual assessment and recent theoretical developments including an expanded exploration of translinguaging in assessment contexts. This edition aims to be more practical than the first edition with more examples of assessments and rubrics and a greater emphasis on using assessment results in formative ways.

*Teacher Leadership in Professional Development Schools* Jana Hunzicker, 2018-04-06. Featuring scholarly descriptions, teacher leader reflections and thoughtful questions, this thoughtful collection will immerse readers in deep exploration of teacher leadership and student learning definitions, structures and cultures that promote teacher leadership and teacher leader preparation and development.
