**Extreme Ocean** Sylvia A. Earle, Glen Phalen, 2020 Information and photos of oceans for young children *Ocean* John Haywood, 2024-12-03 A magisterial cultural history of the Atlantic Ocean before Columbus ranging from the early shaping of the continents and the emergence of homo sapiens to the story of shipbuilding navigation maritime exploration slavery and nascent European imperialism A dazzling and ambitious history of the pre Columbian Atlantic seas Ocean is a story that begins with the formation of the mid Atlantic ridge some 200 million years ago and ends with the Castilian conquest of the Canary Islands in the fifteenth century providing a template for the methods used by the Spanish in their colonization of the New World John Haywood eloquently argues that the perception of Atlantic history beginning with the first voyage of the celebrated Genoese navigator Christopher Columbus is a mistaken one and that the seafaring and shipbuilding skills that enabled European global exploration and expansion did not arrive fully formed in the fifteenth century but instead were learned over centuries and millennia in the Atlantic and its peripheral seas The pre Columbian history of the Atlantic is the story of how Europeans learned to master the oceans This story is therefore key to understanding why it was Europeans and not any of the world s other seafaring peoples who discovered the world Informed by the author s extensive travels around the Atlantic Ocean crossing Newfoundland s Grand Banks the Sea of Darkness and the weed covered Sargasso Sea and populated by a heterogeneous and multiethnic cast of seafarers fishermen monks merchants and dreamers Ocean is an in depth history of a neglected subject fusing geology geography mythology developing maritime technologies and the early history of exploration to narrate an enthralling an story one which lies at the very heart of Europe s modern history and its relationship with the rest of the world Sailing Directions (planning Guide) for the South Atlantic Ocean ,1988 *Sailing Directions (planning Guide) for the Indian Ocean* ,1988 *Sailing Directions (planning Guide) for the Indian Ocean* United States.
