When Oceans Roar Ernest F Crocker, 2016-10-07 When Oceans Roar tells the remarkable stories of people who heard the still small voice of God and saw God do amazing things when they took God at his word and surrendered themselves to him The stories told in this book represent roads that few people would have chosen Yet having said yes to God and taken the first step each one was strengthened empowered and equipped for the journey ahead It includes the story of a couple who prayed over their child who had no heart beat for three days in the sure knowledge that God would meet them at their point of need and of a Bangladeshi freedom fighter taken before a firing squad only to learn that God had a plan for his life This is a book that will challenge you to find your true identity and having done so to step out of complacency and take risks in the sure knowledge that God will never leave you or forsake you as you surrender yourself to him Be inspired to listen out for the still small voice of God above the ocean's roar

Handbook of Theology and the Arts Stephen M. Garrett, Imogen Adkins, 2025-04-24 This volume presents the theology arts conversation from a distinctly Christian perspective as a witness of the Gospel of Christ to the world A widespread interest in the historical socio cultural and political embeddedness of theology and the arts permeates it This theme of embeddedness tracks through several overarching and interlocking concerns the relationship between form and content in both art and theology the intensification of the metaphysical and the theological contra materialist and positivist reductionisms the expansion of the epistemological possibilities of the theology art conversation and a robust understanding of the world as the theatre of God s glory Several chapters have been co written by theologians and artists as part of demonstrating the kind of conversation that this book commends A thorough going commitment to Scripture is also woven into the many different habits of thought represented in this volume Part I surveys different approaches to the theology arts conversation Part II focuses on how particular art forms bring theological issues to the surface and how theological and denominational traditions shape the making and receiving of the arts Part III delves into key topics in the current theology arts scene and asks how artistic and theological performance can both speak to theological and artistic knowing and help to celebrate and interrogate embodied lived reality The Hillsong Movement Examined Tanya Riches, Tom

 Charismatic Movements** ,2020-04-28 In Australian Pentecostal and Charismatic Movements Arguments from the Margins
 Rocha Hutchinson and Openshaw argue that Australia has made and still makes important contributions to how Pentecostal
 and charismatic Christianities have developed worldwide This edited volume fills a critical gap in two important scholarly
 literatures The first is the Australian literature on religion in which the absence of the charismatic and Pentecostal element
 tends to reinforce now widely debunked notions of Australia as lacking the religious tendencies of old Europe The second is
 the emerging transnational literature on Pentecostal and Charismatic movements This book enriches our understanding not
 only of how these movements spread worldwide but also how they are indigenised and grow new shoots in very diverse
 contexts My Mighty Son Virag Wheeler-Mezei,2017-04-01 A family s true story of endurance and overcoming against the

 into church music through the lens of performance theory both as a discipline and as a theoretical framework Scholars who
 address religious music making in general and Christian church music in particular use performance in a variety of ways
 creating confusion around the term A systematized performance vocabulary for the study of church music can support
 interdisciplinary investigations of Christian congregational music making in today s complex interconnected world From the
 perspective of performance theory all those involved in church musicking are performing be it from platform or pew The
 book employs a hybrid methodology that combines ethnographic research and theory from ritual studies ethnomusicology
 theology and church music scholarship to establish performance studies as a possible next step in church music studies It
 demonstrates the feasibility of studying church music as performance by analyzing ethnographic case studies using a
 developmental framework based on the concepts of ritual embodiment and play change This book offers a fresh perspective
 on Christian congregational music making It will therefore be a key reference work for scholars working in Congregational
 Music Studies Ethnomusicology Ritual Studies and Performance Studies as well as practitioners interested in examining their

own church music practices The Compassion Connection Nerney, Catherine, T.,2018-08-23 Nerney guides the reader on a narrative journey through and toward compassion for our fellow human beings emphasizing connectedness rather than perceived differences Intended to impel action this book will be a valuable resource for social activists parish groups and spiritual seekers looking for new ways to appreciate and deepen their faith **Today Is Going to Be a Good Day** Dr. Michelle Bengtson,2022-05-17 Every day can be a good day when you trust the promises of God Job frustrations difficult relationships fluctuating health emotional upheaval When life conspires to drag us down with all of its troubles it can be hard to keep our spirits up Dr Michelle Bengtson knows Severely ill and mired in depression she desperately needed something to cling to That is when she decided to stand on God s promises that despite her circumstances every day was a good day for a good day In this uplifting devotional Bengtson helps you make each day a good day no matter what is going on in your life Each reading includes Scripture reflection prayer and a recommended playlist song designed to help you live out Philippians 4 8 Finally brothers and sisters whatever is true whatever is noble whatever is right whatever is pure whatever is lovely whatever is admirable if anything is excellent or praiseworthy think about such things Because our thoughts determine our beliefs our beliefs determine our attitudes and our attitudes determine our behaviors **Exploring Sexuality and Spirituality** ,2020-10-20 The wide spectrum of links and interrelations found amongst the diversity of human sexual expressions and spiritual practices around the world constitutes one of the most fruitful grounds of scholarly research today Exploring Sexuality and Spirituality introduces an emerging academic field of studies focused on the multiplicity of problematizations intersecting spirituality and sexuality from eroticism and ecstasy embodiments to inner spiritual cultivation intimate relationships sex education and gender empowerment This collection of essays addresses subjects such as prehistoric art Queer Theology BDSM Tantra the Song of Songs la petite mort asceticism feminist performative protests and sexually charged landscapes among others Through varied methodologies and state of the art interdisciplinary approaches this volume becomes highly useful for readers engaged in the integration of scholarly and practical knowledge **Canadian Pentecostals, the Trinity, and Contemporary Worship Music** Michael A.
