Geoff Stray,2009-05-21 An illustrated encyclopedic overview of the prophecies calendars and theories that indicate the year 2012 is a threshold of great change for humanity Looks at the scientific and anthropological evidence for the rare galactic alignment due to occur in December 2012 Sifts through the catastrophic theories to show what we might really expect in 2012 In December of 2012 the Mayan Calendar s Great Cycle will come to an end Opinion remains divided as to whether apocalyptic scenarios of worldwide destruction or utopian visions of a spiritually renewed humanity will prevail after this key date has passed What is certain however is that a rare galactic alignment will occur one so unique that it is found at the core of many wisdom traditions from around the globe Geoff Stray has been collecting the vast amounts of data relating to the 2012 phenomena since 1982 Far from confining his research to the Maya who provide the most prominent predictions indicating this date will herald significant changes for humanity he has studied the prophetic traditions of other cultures including the Tibetan Chinese Jewish Ethiopian and tribal cultures from around the globe to show the kind of convergence of cosmic purposes happening along a number of parallel tracks This book offers an extensive study of many modern theories including Terence McKenna s timewave zero and Maurice Cotterell s sunspot research as well as anomalous phenomena such as near death experiences and crop circles Sifting through all the scientific research and speculation that the year 2012 has inspired Geoff Stray provides an encyclopedic look at what we might really expect on this pivotal date      **Asset Rotation** Matthew P. Erickson,2014-07-21 An all weather tactical approach to asset management utilizing Exchange Traded Funds ETFs In Asset Rotation portfolio management pioneer Matthew P Erickson demonstrates a time tested approach to asset management that has worked throughout the history of capital markets in good times and bad Providing investors with strong participation in rising markets but more importantly with a discipline to reduce participation in prolonged declines Over time this revolutionary approach has yielded superior returns with significantly reduced levels of risk providing the engine for true long term sustainable growth The investment world as we know it has changed and the paradigm has shifted What has worked in the past may no longer work in the future No longer may bonds be regarded as a safe haven asset class as for the first time in generations investors in fixed income face losses as interest rates rise from historical all time lows For those adhering to a conventional Modern Portfolio Theory based investment approach to asset management what was once regarded as safe and stable may very well soon become our greatest impediment Asset Rotation provides investors with a practical solution for today s real world problems This tactical approach to asset management

provides us with concrete proof that there is indeed a better way We are standing on the precipice of an Investment Renaissance What was previously impossible is now possible Find out how Presents an easy to understand price momentum based approach to investing Illustrates the benefits of asset rotation Offers a systematic approach for securing a sound financial future Provides further insights as to how to customize your own asset rotation portfolio Matthew Erickson gives investors a hands on resource for how to navigate an increasingly difficult investment landscape by providing them with keen insights into the most rapidly growing segment of the investment markets

**THE PSYCHIC CHILDREN - Dolphins, DNA and the Planetary Grid** Hugh Newman,2007-12-02 Hugh takes us on an adventure from the heights of Glastonbury Tor to the pyramids of Guatemala and the volcanoes of Hawaii After meeting some Indigo children on the spring equinox in Hawaii Hugh was initiated into working on the planetary grid system that included decoding the mysteries of the dolphins and the changes that are happening within our DNA The adventure includes revelations about galactic alignment 2012 and a coming shift in consciousness which the children all know about Join Hugh on this journey as he unlocks the secrets one by one Includes a comprehensive nutritional health guide for Indigo children I am certainly impressed by the eclectic nature of the material and the skill with which you have integrated the often complex subjects to reveal the greater picture now unfolding

**The American Elections of 2012** Janet M.

Box-Steffensmeier,Steven E. Schier,2013-05-29 The 2012 American elections were highly competitive with the unusually close partisan balance making the elections an opportunity for each of the two major parties This book assembles leading political scientists and political journalists to explain the 2012 election results and their implications for America s future In

addition to assessing election results the book examines the consequences of the large ambitions of the Obama presidency and the political and policy risks entailed in the pursuit of those ambitions It also explores Congressional elections and policymaking since 2008 and how they affected election results in 2012 The book promises a more coherent focus than that evident in similar edited works achieved through a limited number of chapters and clear definition of chapter content
