## **Odia 2015 Calendar:**

*Spoken English For Odia Speakers* EDITORIAL BOARD,2015-01-09 In today's competitive world Spoken English is considered as a passport for success in life The craze for learning spoken English has led to the growth of coaching institutes all over the country Much as they may profess and advertise it is not really possible to learn any language in 30 days A person who genuinely wants to learn the language needs to spend two to three hours every day for at least five or six months before he or she would feel confident to communicate in English The prime objective of this book is to encourage students to learn English as a tool of communication and to enable them to understand the language thoroughly The book basically takes off from the learner's point of view and guides them through cooperative learning methods in order to help master the effective communication skills in English The book has been divided into four convenient units of Grammar Pronunciation Conversation and Vocabulary Each chapter covers one main area of learning English explained with examples Carefully selected and graded exercises have also been included throughout the book to give readers ample practice and a complete understanding of the subject In short the book follows the modern functional approach to the study of English So readers it is definitely a one stop solution for speaking English v s publishers

**Bonding with the Lord** ,2021-12-30 Few other Hindu gods guide a regional consciousness pervade walks of everyday life and define a collective psyche the way Lord Jagannath does in Odisha and its contiguous areas Jagannath is metonymic of Odisha and the Odia way of life arguably much more than any other god for a particular geography or its peoples While not derecognising the historical and the spiritual aspects of Jagannath Bonding with the Lord attempts to look at the deployment of Jagannath in contemporary cultural practices involving the sensorium in the widest sense The project of a cultural Jagannath not only materialises him in people's everyday practices but also democratises scholarship on him The expansion of the scope of research on Jagannath to cultural expressions in a more encompassing way rather than confining to elitist religious literary sources makes him an everyday presence and significantly enhances his sphere of influence Jagannath's tribal origin his association with Buddhism and Jainism and his avatari status make him an all encompassing multilayered symbol and a treasure trove for multiple interpretations

*Voluntary Organisations and Rural Development in South Asia* Umakanta Mohapatra,2022-01-01 This book examines the role of voluntary organizations VOs in rural development in the south Asian context While addressing the existing knowledge gap for developmental task sharing with non government social forces in developing nations It provides evidence based knowledge about the structure functioning effectiveness community base public image GO VO equation strength challenges present dynamics and future trend of the grassroots VOs The volume also demonstrates the application of an innovative symphony of descriptive and exploratory study design with parametric tools in data collection and analysis It also specifies the areas for policy intervention future research and incubation in the sector The book is indispensable for the students teachers and researchers in Sociology Social work Public Administration Rural Development Management studies

and related fields The volume is a hand guide for funding agencies planners and executives

**Language, Identity and Contemporary Society** Rajesh Kumar,Om Prakash,2018-11-30 This book explores the instrumentality of language in constructing identity in contemporary society The processes of globalization hyper mobility rapid urbanization and the increasing desire of local populations to be linked to the global community have created a pressing need to reconfigure identity in this new world order Following the digital revolution both traditional and new media are dissolving linguistic boundaries The centrality of language in organizing communities and groups cannot be overstated our social order is developed alongside our linguistic allegiance shared narratives collective memories and common social history Keeping in mind the fluidity of identity the book brings together fourteen chapters providing cultural and social perspectives The ideas reflected here draw on a range of disciplines such as psychology sociology anthropology cultural studies the politics of language and linguistic identity
