Questiond and Doubts Resolved. And the Whole Text Opened Matthew Poole, 1700 **The life and character of John Howe. With an analysis of his writings** Henry Rogers, 1879 **Annotations Upon the Holy Bible** Matthew Poole, 1853 The Correspondence of John Owen (1616-1683) Peter Toon, 2018-01-11 Until recent months it has been taken for granted that few if any of the letters of the great nonconformist leader existed Mr Toon has discovered more than one hundred original letters hitherto unknown including original correspondence with Oliver Cromwell which are here reprinted for the first time with a scholarly introduction This is an important piece of historical research it should be essential reading for all students of the Commonwealth period *The Foundation of Communion with God* Ryan M. McGraw, 2014-10-20 The Foundation of Communion with God introduces readers to the Trinitarian piety of John Owen 1616 1683 Ryan McGraw s introduction to Owen sketches the major events of this important theologian s life and shows how his circumstances shaped his thought on the themes of the Trinity and public worship The second part of the book presents forty one brief selections from Owen s writings that trace his thoughts on knowing God as triune on Scripture and worship on heavenly mindedness and on covenant and the church Appendixes provide readers with a chronological list of Owen s writings and a guide to them for those who wish to delve deeper into this great theologian s thoughts Table of Contents Section One Knowing God as Triune Section Two Heavenly Mindedness and Apostasy Section Three Covenant and Church Series Description Seeking then both to honor the past and yet not idolize it we are issuing these books in the series Profiles in Reformed Spirituality The design is to introduce the spirituality and piety of the Reformed Profiles in Reformed Spirituality tradition by presenting descriptions of the lives of notable Christians with select passages from their works This combination of biographical sketches and collected portions from primary sources gives a taste of the subjects contributions to our spiritual heritage and some direction as to how the reader can find further edification through their works It is the hope of the publishers that this series will provide riches for those areas where we are poor and light of day where we are stumbling in the deepening twilight **A Logical Analysis of the Epistle of Paul to the Romans** Charles Ferme, 1850 An Introduction to the Textual Criticism of the New Testament; with Analysis, Etc., of the Respective Books, and a Bibliographical List of Editions of the Scriptures in the Original Texts and the Ancient Versions Thomas Hartwell Horne, 1860 *The Works of Aurelius Augustine, Bishop of Hippo* Marcus Dods, 2023-04-14 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our

aim is to preserve these books and make them available to the public so that they do not get lost **Liturgies and Other Documents of the Ante-Nicene Period**, 1872 **The Works of Aurelius Augustine: Letters. v. 1. Translated by J.G. Cunningham. 1872** Saint Augustine (of Hippo), 1872 **Liturgies and Other Documents of the Ante-Nicene Periods** Anonymous, 2023-02-08 Reprint of the original *God's Statesman* Peter Toon, 2018-02-16 That the man who has been called the greatest British theologian of all time should have no adequately researched biography of his life and times would be incredible if it were not a fact But as Dr Toon an able historian who specializes in the Puritan era shows in this book John Owen was even more than just a great theologian He exercised a profound influence on youth as Dean of Christ Church and Vice Chancellor in the University of Oxford he was also a statesman of no mean order whose wisdom often prevented excesses into which his contemporaries would have fallen in their untampered zeal but above all he was a spiritual shepherd with a true pastor's heart who delighted in nothing so much as to feed the flock of God Dr Toon who has been engaged for over four years on almost continuous research has produced a volume full of new information as well as an assessment of the tremendous influence of this outstanding leader The current worldwide interest in the Puritan period underlines the timeliness and importance of this new work John Owen achieved national recognition when at the comparatively early age of thirty he preached before the House of Commons at St Margaret's Westminster Yet his achievements would eventually be recorded in higher archives than any mere earthly ones for he was to become a revered and redoubtable servant of the King of kings Like many other renowned servants of God John Owen cared little for personal aggrandizement and by his own command not one of his diaries has been preserved and since the extant letters in which he lays bare his soul are very few his biographer is hard put to find those personal touches which have helped to establish biography as an important part of English literature Nevertheless this carefully researched study has been produced to help meet the need for a fuller life of this remarkable man **An Exposition of the Epistle to the Hebrews** John Owen, Edward Williams, 1811 **Catalogue of the Reference Library** Paisley Free Public Library and Museum. Reference Library, 1872 **The Holy Spirit and Worship** Elizabeth Welch, 2022-06-30 The Holy Spirit has become an object of greater attention in Trinitarian theology and indeed in the broader life of the Church since the rise of Pentecostalism at the beginning of the twentieth century Different understandings of the Holy Spirit have had different impacts on worship here Elizabeth Welch examines four surprising overlaps in the thought of two radically different traditions of the church about the relationship between the Holy Spirit and worship These traditions are represented by John Owen from seventeenth century England and John Zizioulas from contemporary Greece Welch explores in turn the common themes of the personal and relational nature of the triune God the immediacy of the encounter with God through the Holy Spirit in worship the role of the Holy Spirit in leading people into truth and the transformative nature of worship that draws people into sharing God's purpose for the world In each the insights of Owen and Zizioulas shed new light on the ongoing debate in the Church today **John Owen and English**

**Puritanism** Crawford Gribben, 2017-11 John Owen was a leading theologian in 17th century England Through his association with Oliver Cromwell in particular he exercised considerable influence on central government and became the premier religious statesman of the Interregnum      *Publications 1-12: Ferme, C. A logical analysis of the Epistle of Paul to the Romans ... tr. from the Latin by W. Skae ... A commentary on the same Epistle by A. Melville ... Ed. ... by W.L. Alexander* Wodrow Society, 1850
