Oh My Goth Gena Showalter, 2018-09-04 A note from Jade Leighton's journal Years ago a tragic accident robbed me of my mother and emotions Because I find beauty in darkness and thrive outside social norms I've been labeled a freak at school I know my continued apathy hurts my loved ones but I'm not about to change Nothing will ever hurt me again Then I wake up in an alternate reality and everything else has changed Goth is in I'm considered cool and my archenemy the formerly popular Mercedes is the freak But my real friends won't talk to me and the new boy is getting under my skin As my world spins out of control I'm desperate to return to normal But the more time that passes the less I'm sure what normal really is

Conform or Be Cast Out Logan Albright, 2021-11-26 Modernity was born with the advent of liberalism and that in turn rested on one major insight people who are different who disagree can coexist and build a beautiful civilization No need to burn heretics or cast out people based on belief systems or other arbitrary categories Human dignity can be universal It's remarkable to me that we would need to restate these points but we do which is precisely why Logan Albright's book is so essential Conformity is not the basis of social order rather we need tolerance robust debate and mutual respect That's not a radical proposition except that

these days it is Albright's clarion call to recommit to fundamental values strikes all the right notes Jeffrey Tucker American Institute for Economic Research Everyone knows that being different is a good way to be unpopular but what if you're so different that people think you are an actual servant of evil Conform or Be Cast Out is a history of humankind's tendency not only to shun nonconformists but to label them as devils demons and Satan worshippers Beginning with scapegoats and devil figures in folklore and mythology the book moves on to look at other aspects of nonconformity such as witchcraft the Inquisition spiritualism and medical conditions once mistaken for lycanthropy vampirism and demonic possession before concluding with a discussion on aspects of contemporary culture ranging from heavy metal music to zombie movies
