exploring the tumultuous landscape of Australia's gold rush era. Set against the vivid backdrop of both urban and rural settings, Dyson employs a penetrating style characterized by satirical wit and robust character development. Through the eyes of his diverse cast, from hopeful migrants to shady prospectors, he unveils the moral complexities and societal upheavals brought forth by the relentless pursuit of wealth. The work draws from the literary traditions of both realism and naturalism, reflecting the struggles faced by individuals overwhelmed by ambition and greed. Edward Dyson, a prominent figure in Australian literature, was deeply influenced by his own experiences during the gold rush, having witnessed the era's fervent aspirations and subsequent disillusionments. His advocacy for the working class and nuanced understanding of social issues stem from his background in journalism and literature during a time of great change. This personal connection to the subject matter enriches his writing, allowing him to craft a narrative that is not only thrilling but also profoundly insightful. For readers intrigued by historical fiction infused with rich commentary on human nature, *The Gold Stealers* presents an enthralling experience. Dyson's keen observations and masterful storytelling invite readers to reflect on the broader implications of greed and ambition, making this work essential for anyone interested in the moral heart of the Australian identity.

*The King of Alsander* James Elroy Flecker, 1915      *Unity*, 1918      ***Divine Indwelling: Key to the Wisdom, Knowledge and Power of God from Within Man*** Bro. Josefino T. Rona, 2011-06-06

If I have to write all the experiences and miracles in my life, it would be volumes. All these miracles come from One Source: the power of DIVINE INDWELLING. These stories are not fictions; they are real experiences of miracles that made me write the book in order to share with people who, with their FAITH, can get into the Threshold of God's Presence within the soul and let the LIGHT of God's Power shine forth to drive evil away. The Truth is in the book: The Process that even a little child can do is in the book. But for one story among hundreds of stories, let me share this one: A male teenager came to my office at midnight, trembling, pale, drunk high with drugs, carrying a knife, urged by his hallucinations to kill someone, and that was me. I knew at that moment the Lord sent this poor guy to me to be healed by the power of God's Divine Indwelling. Gently yet carefully, I led him to God's Presence within him, and with the power of the prayer of faith, I, by the power of God, simply commanded the evil of drug addiction to leave. Right at that moment, the guy was healed. The power of God in the soul of believers is truly REAL. As I said, I can share several stories of my experiences of miracles because of God's Divine Indwelling, the very key that opens all the treasures of God's wisdom and knowledge. Col 2:2-3: One who is serious in following what is written in this book can also see the experience of the power of God. Hence, I wrote the book to help as many as are looking for hope and peace within them. Praise our awesome God.
