Sisters of Fortune Esther Chehebar, 2025-07-22 In this heart warming and witty debut novel from a Jewish Jane Austen Jill Kargman three sisters chase love and grapple with the growing pains of young womanhood as they seek their place within and beyond their Syrian Jewish Brooklyn community The Cohen sisters are at a crossroads And not just because the obedient middle sister Fortune has secretly started to question her engagement and impending wedding even as her family scrambles to prepare for the big day Nina the rebellious eldest sister is single at 26 and growing cobwebs by her community s standards when she runs into an old friend who offers her a chance to choose a different path Meanwhile Lucy the youngest a senior in high school has started sneaking around with a charming older bachelor As Fortune inches ever closer to the chuppah the sisters find themselves in a tug of war between tradition and modernity reckoning with what their tight knit community wants and with what they want for themselves Sisters of Fortune is a sister story about dating ambition and coming of age within an immigrant community whose affection is endearing maddening and never boring This novel reckons with the roots that entwine our lives to the ones who love us best the dreams we hold for our daughters and the winding paths we take to our own happy endings *Cookies and More Cookies* Lois Lintner Sumption, Marguerite Lintner Ashbrook, 1938 A book
