This Kiss Deanna Roy,2023-11-09 The first time I lost all memory of Tucker we had just met We were seventeen stuck in the disco room of the children s hospital both of our heads covered in electrodes wrapped in gauze Not exactly attractive Except we were attracted that is I never got to meet boys my age back then Or any boys Mother made sure of that There was no point she said I would forget them the next time I had a seizure

That's right I didn't mention that I have epilepsy It started in kindergarten Spacing out My eyes clocking back and forth Then the whole enchilada On the ground shaking all over Not all my seizures erase my memory But some do Every year or two I go down and bam that's it My entire history evaporates like water on a skillet But on that first magical day Tucker yelled Come here often over the mechanical thrashing of a song I'd never heard at least not since my last memory reset Never Do you I yelled back That was all we got The disco lights switched to strobes the kind designed to cause a seizure That's why I was there For the wires on my head to collect data To show the doctors what was going on inside my brain And hopefully to help me I took one more look at him as my legs gave way and the sizzle in my head turned my vision black Tucker I had no idea then that I had just met the love of my life In a few seconds I wouldn't remember him at all ____ This Kiss is an extraordinary romance between two people with epilepsy who fall in love in the toughest of circumstances As Tucker unfailingly convinces Ava to return to him over and over again he teaches her that even when memory fails the heart remembers With heartfelt sweetness and a poignant love story this novel is a must read for anyone seeking a touching and unforgettable romance This Kiss is my new favorite book to make me cry Krista Lakes New York Times bestselling author This compelling heartfelt story is exactly what I love in romance reading These truly special characters will burrow into your heart and their story will live in your soul long after the last page BookAddict This Kiss is a beautiful and emotional journey of finding your soulmate again and again Jenn Reads Romance Book Blog

Red Sauce Ian MacAllen, 2022-04-04 Tells the story of Italian food arriving in the United States and how your favorite red sauce recipes evolved into American staples In *Red Sauce* Ian MacAllen traces the evolution of traditional Italian American cuisine often referred to as red sauce Italian from its origins in Italy to its transformation in America into a new distinct cuisine It is a fascinating social and culinary history exploring the integration of red sauce food into mainstream America alongside the blending of Italian immigrant otherness into a national American identity The story follows the small parlor restaurants immigrants launched from their homes to large popular destinations and eventually to commodified fast food and casual dining restaurants Some dishes like fettuccine Alfredo and spaghetti alla Caruso owe their success to celebrities and Italian American cuisine generally has benefited from a rich history in popular culture Drawing on inspiration from Southern Italian cuisine early Italian immigrants to America developed new recipes and modified old ones Ethnic Italians invented dishes like lobster fra Diavolo spaghetti and meatballs and veal parmigiana and popularized foods like pizza and baked lasagna that had once been seen as overly foreign Eventually the classic red checkered table cloth Italian restaurant would be replaced by a new idea of what it means for food to be Italian even as red sauce became entrenched in American culture This book looks at how and why these foods became part of the national American diet and focuses on the stories myths and facts behind classic and some not so classic dishes within Italian American cuisine
