Recipe For Space Food:

The Astronaut's Cookbook Charles T. Bourland, Gregory L. Vogt, 2009-10-31 Astronauts cosmonauts and a very limited number of people have experienced eating space food due to the unique processing and packaging required for space travel This book allows anyone with a normal kitchen to prepare space food Since some of the processing such as freeze dehydration and packaging cannot be accomplished in the normal kitchen many of the recipes will not produce the food that would be launched in space but will prepare food similar to what the astronauts would eat after they had added the water to the food in space Many of the space foods are prepared to the point of ready to eat and then frozen and freeze dried Food preparation in this book stops at the point of ready to eat before the freezing and dehydrating takes place Recipes in this book are extracted from the NASA food specifications and modified for preparation in a normal kitchen The book will contain the following chapters Introduction Appetizers Beverages Bread and Tortillas Cookies Sandwiches Desserts Main Dishes Soups and Salads Vegetables and Future Space Foods Interesting tidbits of space food history will be spread throughout the book Examples like did NASA invent Tang who was the first person to eat in space the Gemini sandwich fiasco why there is no alcohol in U S space food systems astronauts favorite food etc 101 Recipes for Preparing Food in Bulk Richard Helweg, 2011 Book you won't need to figure out what to cook every night with delicious pre made meals waiting in your freezer To make bulk cooking truly cost effective and time saving you need to know the right recipes and tips Learn everything you need to know with help from 101 Recipes for Preparing Food in Bulk Everything You Need to Know About Preparing Storing and Consuming This book will guide you through every aspect of cooking in bulk to make it as manageable as cooking regular sized meals The book details all the essential appliances and utensils you need in your kitchen as well as how to take inventory of the supplies and foods you already have This book provides tips so you know where and how to do your grocery shopping In addition to these basic details you will learn everything you need to know on cooking day from deciding whether you should cook solo or with a partner to how to prepare cook cool and properly store your meals Once you are ready to eat your frozen meal this book tells you how to thaw and reheat each recipe and how to detect foods gone bad which probably won't happen if you follow the simple instructions in this book More than 100 recipes are provided to help you cook delicious meals you can make any time during the day including breakfast lunch dinner soups salads appetisers sides and sauces Every recipe includes an ingredient list and specific instructions that take you through the entire bulk cooking process Tips are even included with several recipes to make healthier or vegetarian versions of the dishes The companion CD ROM contains a database of over 1600 recipes Each recipe has been formulated to yield 100 servings There are recipes for appetisers beverages meals for anytime of the day desserts side dishes soups vegetables and much more We interviewed dozens of experts from the food service industry as well as experienced individuals who bulk cook at home Their insight into the nature of bulk food preparation storage methods and professional tips and tricks will help you keep your food
