Riggs, Cheryl R. Gholar, 2008-08-01 Featuring updated research grade specific individual and group activities and suggestions for assessment this resource outlines how teachers can inspire their students to become self motivated learners *College Access Readers* Louise Bay Waters, CK-12 Foundation, Leadership Public Schools, 2012-05-08 This resource guide begins by outlining the theory underlying the literacy work and then lays out the framework for the supports included in the Readers series *Strategies for Integrating Reading and Writing in Middle and High School Classrooms* Karen D. Wood, Janis M. Harmon, 2001 Ready, Set, Learn Brenda Stein Dzaldov, 2015-03-25 For the majority of students the skills and work habits crucial to successful learning are not in place when they arrive at the school door These skills must be explicitly taught by teachers who recognize the unique learning styles preferences and interests of their students Ready Set Learn focuses on the importance of encouraging students to set their own learning goals and persevere to achieve them It illustrates ways in which every lesson can be an opportunity for students to develop the skills and strategies they need in order to learn Along with organizers prompts and specific activities this timely book presents new ways to plan lessons that explicitly teach key learning skills including organization collaboration communication independence memory and initiative This remarkable book shows how incorporating learning strategies into everyday work will improve students achievement and create responsible independent learners Reading Strategies for Spanish Speakers Susan Lenski, Fabiola Ehlers-Zavala, 2004-03-30 View the Reading Resources Catalog **Rigor in Your Classroom** Barbara R. Blackburn, 2022-12-27 How can you ensure students are engaged and learning at deeper levels This book from bestselling author Barbara R Blackburn is a treasure chest of more than 250 practical and effective tools that can be used across grade levels and subject areas to increase rigor leading to higher levels of learning and success Topics include scaffolding differentiation higher level questions high expectations gradual release of responsibility and more This essential second edition offers more than 50 additional tools updated research and new topics such as teaching academic discourse creating an environment of respect and building students social and emotional learning Rigor in Your Classroom will be your go to resource throughout the school year as you continually use new tools with your students Bonus The tools are accompanied by graphic organizers charts templates and reproducibles for easy implementation *Literacy and Learning in the Content Areas* Sharon Kane, 2017-07-05 The 3rd Edition of Literacy Learning in the Content Areas helps readers build the knowledge motivation tools and confidence they need as they integrate literacy into their middle and high school content area classrooms Its unique approach to teaching content area literacy actively engages preservice and practicing teachers in reading and writing and the very activities that

they will use to teach literacy to their own students in middle and high school classrooms. Rather than passively learning about strategies for incorporating content area literacy activities, readers get hands-on experience in such techniques as mapping, webbing, anticipation guides, booktalks, class websites, and journal writing and reflection. Readers also learn how to integrate children's and young adult literature, primary sources, biographies, essays, poetry, and online content communities and websites into their classrooms. Each chapter offers concrete teaching examples and practical suggestions to help make literacy relevant to students' content area learning. Author Sharon Kane demonstrates how relevant reading, writing, speaking, listening, and visual learning activities can improve learning in content area subjects and at the same time help readers meet national content knowledge standards and benchmarks.
