New Essays on the Explanation of Action

Edited by: Constantine Sandis

CONSTANTINE SANDIS is a senior lecturer in Philosophy at Oxford Brookes University and NYU in London, UK. He works on the philosophy of action and its explanation and is the author of numerous related articles and a forthcoming book (to be published by Palgrave Macmillan). He is currently co-editing, with Timothy O'Connor, *A Companion to the Philosophy of Action*.

This collection of previously unpublished essays presents the newest developments in the thought of international scholars working on the explanation of action. The contributions focus on a wide range of interlocking issues relating to agency, deliberation, motivation, mental causation, teleology, interpretive explanation and the ontology of actions and their reasons. Challenging numerous current orthodoxies, and offering positive suggestions from a variety of different perspectives, this book provides essential reading for anyone interested in the explanation of action.
