New Flowers Let Us Start A New Era:

What We've Forgotten Amy Miranda, 2025-03-10 *What We've Forgotten* is an ancient text for modern times that promises to undermine systems of oppression through the power of wonder and magic available to us all. Meeting at the intersection of social justice, technology, and witchery, it's a magic book for the tech world that takes readers on an active quest through the cosmos of consciousness. Shining new light on the old ways, *What We've Forgotten* is a choose your own adventure book of real magic. Amy Miranda leads readers through a Temple of Wonder in an active meditation where each chapter is a different room. Amy takes us through portals in the cosmos of consciousness; most of us have forgotten to reconnect us all into the deep magic of life. Unlike most books on magic, *What We've Forgotten* recreates the mystery and adventure of deep journey work, leading readers to their deepest memories and hidden truths. Amy Miranda is not your usual witch unless your witch quotes Public Enemy while communing with ascended masters. Amy always knew she was a magician, just not the kind that pulled rabbits out of hats, rather the kind that invited people down the rabbit hole. In *What We've Forgotten*, that invite is extended to us all, creating a literary VR experience where readers will remember their very own magic. In this heartbreaking and hilarious work, Amy shares the historical, scientific, she will definitely take readers to Nerdtown, and cultural traditions which ground the work of cosmic consciousness and its interdimensional exploration. Through this experience, readers will not only have the opportunity to engage with their own cosmic consciousness but begin to see that our world can achieve collective liberation not only through the disengagement with systems of oppression but through the reengagement of wonder and enchantment that lives within us all. Amy Miranda is relentless in her revealing of the power of art, written word, and fact, freeing people from the chains of *The Uninvited*. This book connects us. Chuck D, Public Enemy. In her brilliant book *What We've Forgotten*, Amy Miranda invites you to join her into a temple of remembering. The book takes us back into the adventure and ceremonies that hold the promise of how we can bring in magic and the goodness of life. What a beautiful way to work. Amy Miranda will inspire you to engage in spiritual practices so you can see the illusion we have been living in and, with the assistance of spiritual practices, we achieve collective liberation, a deep connection with nature, and a renewed love for life. *What We've Forgotten* will change readers' lives and is such an important book for the times we live in as we learn how to heal ourselves, enliven our connection with Nature, and connect with Source. This book is like a guided tour leading readers to their deepest wonders and hidden treasures. And it is also beautifully written. Amy's challenging beginnings ended up polishing her soul and spirit so she could be a leader for these times. Sandra Ingerman, MA, Counseling Psychology, international shamanic teacher, and an award-winning author of 12 books, including *Medicine for the Earth* and *The Book of Ceremony*. *What We've Forgotten* is a deeply personal and dare I say it truly fun exploration of magic and mysticism. Amy's sparkling wit and down-to-earth explanations provide an optimistic, friendly, engaging DIY guide to working with the magical realities both outside and within each of us. Michael M. Hughes, author of *Magic for the Resistance*.
