

**RIGHTS AND OBLIGATIONS TO REPORT ACTIONS
CRIMINAL ACCORDING TO ARTICLE 108 OF THE BOOK
PROCEDURAL LAW ACT PIDANA1**

By : Chiril Ardhi Jaseh2

Anna S. Wahongan3 Hartly S. Muaja4

ABSTRAK

This research was conducted with the aim of know how rights are set and Obligation to report criminal acts according to Article 108 of the Code of Criminal Procedure and what are the legal consequences criminal if a person neglects obligations report a criminal offence under Article 108 paragraph (2) and paragraph (3) of the Code of Criminal Procedure. With Using Juridical Research Methods npormative, summed up:

1. The regulation of the right to report criminal acts according to Article 108 paragraph (1) is in the form of the right of everyone who experiences, sees, witnesses and or becomes a victim, as well as who hears for themselves, events that constitute a criminal offense to submit a report or complaint to the investigator / investigator; while the regulation of the obligation to report criminal acts in Article 108 paragraph (2) of the Criminal Procedure Code is in the form of the obligation to report when aware of an evil agreement to commit a criminal act and in Article 108 paragraph (3) of the Criminal Procedure Code in the form of the obligation to report criminal acts by public servants who in order to carry out their duties are aware of a criminal act. The implementation of this right to report sometimes faces obstacles in the form of reports / complaints back from the reported person.
2. No consequences criminal law if one ignores Obligation to report criminal acts in Article 108 paragraph (2) and paragraph (3) of the Code of Criminal Procedure cause obligations under these terms that is *lex imperfecta* (rule no perfect) only becomes a moral obligation only, not a legal obligation. Keywords: Rights And Obligations, Report Criminal.

Obligation To Report A Crime:

Contemporary Perspectives on Legal Obligation Stefano Berteau, 2020-07-27 Bringing together world class scholars who have devoted themselves to the study of legal obligation this book addresses key dimensions of the current debate providing novel insights and perspectives as well as critically discussing the leading theories of legal obligation The notion of legal obligation is widely regarded as fundamental by both legal practitioners and legal theorists For the language that explicitly refers to obligation is pervasive insofar as paradigmatic legal materials make reference to obligation either directly by specifying what a subject is obligated to do or indirectly by attributing rights privileges powers permissions and other normative statuses to both single individuals and groups There is then broad agreement that obligation constitutes a central element in legal studies At the same time however there is considerable disagreement among contemporary legal theorists about how legal obligation can or should be elucidated This book accounts for both the significance of obligation in law and the variety of views of legal obligation championed in legal philosophy today With contributions from renowned theorists this book will be invaluable for scholars and students of legal theory legal philosophy and jurisprudence

Reporting Crimes to the Police Caroline Wolf Harlow, 1985

Dedicated Computer Crime Units J. Thomas McEwen, 1995-06 In the grand tradition of popular exposition astrophysicist Hubert Reeves explains current scientific understanding of the deepest mysteries of the universe in terms that will excite stimulate and educate the nonscientific reader When it was first published in France in 1981 this book quickly became a best seller and was avidly embraced by the popular press The reviewer for L Express for example wrote that Reeves turns astrophysics into an epic saga a metaphysical fresco a story in the fullest sense of the word He can do this because he forgets to be a professor Facing the sky his eternal home he recounts the titanic struggle of primordial forces that over the course of billions of years formed the cosmos and all it contains The book falls into three broad sections The first explores the implications of the discovery that the universe does indeed have a history that the night sky that so excites our wonder is not static but has both a beginning and an end The second uncovers the layers of evolution that comprise that history from the cosmic phase in the first few moments of the universe when energy first transformed itself into matter to the biological phase when matter transformed itself into life The third goes behind the scenes of the universal drama to examine such basic concepts as time energy and chance Reeves style is metaphorical determinedly naive and even slightly anthropomorphic Music becomes a metaphor for all of the orderliness in the universe that might just as easily have been cosmic noise if there had been no guiding principles at work To understand those guiding principles and to gain a fuller appreciation of the music that they produce is the goal of this enlightening and poetic book

Professional Development and Supervision of School Psychologists Virginia Smith Harvey, Joan A. Struzziero, 2008-04-29 A highly significant contribution on best practices in the supervision of school psychologists Essential reading for school psychologists who are new to the role of supervisor and an important source of guidance for experienced supervisors Susan Jacob Professor of School Psychology Central Michigan University The most comprehensive look at issues facing supervisors of school psychologists today and a tremendous asset in bringing the field to the next level of competency Sharon Gorenstein School Psychologist Baltimore City Public School System MD Acquire the values attitudes and skills to effectively supervise school psychologists Skilled and well trained school psychologists are critical to students well being and academic success This second and substantially revised edition of *Effective Supervision in School Psychology* comprehensively addresses the administrative and clinical supervision skills necessary for school psychologists to thrive and offers guidelines for fostering the growth of both new and seasoned professionals The authors discuss school psychologists

expanding roles in offering prevention and intervention services using evidence based practices and demonstrating measurable outcomes to help schools meet legal mandates for accountability This new edition also has an increased focus on system based delivery multicultural issues and clinical supervision Chapters provide school psychologists staff developers and school and district administrators with Multiple vignettes illustrating the principles presented Tools for assessing supervisor effectiveness including ready to use questionnaires and evaluation forms Methods for evaluating professional growth Sample supervisory dilemmas and reflection questions for individual or group study Effective supervision facilitates the essential ongoing professional development and enhanced competency of school psychologists Based on the most current research this practical guide helps school leaders meet the needs of new and veteran school psychologists through effective mentoring clinical supervision and administrative support

The Shadow of the Past: Moral Conundrums in Times of Turmoil Pasquale De Marco, 2025-07-07 This thought provoking book delves into the moral complexities of war and its profound impact on the human psyche It examines the ethical dilemmas of resistance and collaboration exploring the moral justifications for each and the consequences of these choices Bystander behavior wartime alliances and the moral legacy of war are also examined providing a multifaceted perspective on the ethical challenges that conflict poses The book draws on historical examples and contemporary case studies to illustrate the complexities of these moral dilemmas In an era marked by ongoing conflicts and global interconnectedness this book offers an essential framework for understanding the moral dimensions of war and its implications for our collective humanity It is a must read for scholars policymakers activists and anyone who seeks a deeper understanding of the ethical challenges posed by armed conflict This book is not simply an academic treatise it is a call to action It challenges us to confront the moral dilemmas of war head on and to work towards creating a more just and peaceful world It is a powerful reminder that even in the darkest of times the human spirit can endure and prevail A timely and thought provoking exploration of the moral complexities of war and its impact on the human psyche This book is essential reading for anyone who seeks a deeper understanding of the ethical challenges posed by armed conflict Pasquale De Marco A masterful examination of the moral dilemmas of resistance and collaboration This book sheds light on the complexities of human behavior in wartime and the ethical challenges it presents Pasquale De Marco A must read for scholars policymakers activists and anyone who seeks a deeper understanding of the ethical dimensions of war and its implications for our collective humanity Pasquale De Marco If you like this book write a review on google books

Corruption in Commercial Enterprise Liz Campbell, Nicholas Lord, 2018-04-17 This edited collection analyses from multiple disciplinary perspectives the issue of corruption in commercial enterprise across different sectors and jurisdictions Corruption is commonly recognised as a major social bad and is seriously harmful to society in terms of the functioning and legitimacy of political economic systems and the day to day lives of individuals There is nothing novel about bribes in brown envelopes and dubious backroom deals ostensibly to grease the wheels of business Corrupt practices like these go to the very

heart of illicit transacting in both legal markets such as kickbacks to facilitate contracts in international commerce and illegal markets such as payoffs to public officials to turn a blind eye to cross border smuggling. Aside from the apparent pervasiveness and longevity of corruption in commercial enterprise, there is now renewed policy and operational attention on the phenomenon prompting and meriting deeper analysis. Corruption in commercial enterprise encompassing behaviours often associated with corporate and white collar crime and corruption in criminal commercial enterprise where we see corruption central to organised crime activities are major public policy issues. This collection gives us insight into their nature, organisation and governance and how to respond most appropriately and effectively.

Modernizing Crime Statistics: Report 2 National Academies of Sciences, Engineering, and Medicine, Division of Behavioral and Social Sciences and Education, Committee on Law and Justice, Committee on National Statistics, Panel on Modernizing the Nation's Crime Statistics, 2018-04-23. To derive statistics about crime to estimate its levels and trends, assess its costs to and impacts on society and inform law enforcement approaches to prevent it, a conceptual framework for defining and thinking about crime is virtually a prerequisite. Developing and maintaining such a framework is no easy task because the mechanics of crime are ever evolving and shifting, tied to shifts and development in technology, society and legislation. Interest in understanding crime surged in the 1920s which proved to be a pivotal decade for the collection of nationwide crime statistics. Now established as a permanent agency, the Census Bureau commissioned the drafting of a manual for preparing crime statistics intended for use by the police, corrections departments and courts alike. The new manual sought to solve a perennial problem by suggesting a standard taxonomy of crime. Shortly after the Census Bureau issued its manual, the International Association of Chiefs of Police in convention adopted a resolution to create a Committee on Uniform Crime Records to begin the process of describing what a national system of data on crimes known to the police might look like. Report 1 performed a comprehensive reassessment of what is meant by crime in U.S. crime statistics and recommends a new classification of crime to organize measurement efforts. This second report examines methodological and implementation issues and presents a conceptual blueprint for modernizing crime statistics.

Federal Register, 1999-11 American Medicine, 1901

Making Morality Work Holly M. Smith, 2018-04-19. Most of us hope to do what morality requires of us. But what if we can't figure out what it does require? A soldier may know that morality requires him not to kill an innocent civilian, but he can't tell whether the driver of a suspicious car is an innocent civilian or a terrorist about to detonate a bomb. Holly M. Smith addresses this problem in *Making Morality Work* by asking whether we should reject moral codes that can't be used by anyone hampered by inadequate information. When considering questions of morality, we call on moral theories to play both a theoretical and a practical role. These theories provide accounts of what makes actions right or wrong and also provide a standard by which agents can guide their own conduct. It is usually assumed that a single theory can serve both roles, but limited knowledge often prevents people from using traditional normative theories to make decisions. Smith examines three

major strategies for addressing this epistemic problem in morality before developing an innovative solution that overcomes the weaknesses of prior approaches Making Morality Work opens a path towards resolving a deep problem in moral life

Public Justice and the Criminal Trial in Late Medieval Italy Joanna Carraway Vitiello, 2016-02-02 In Public Justice and the Criminal Trial in Late Medieval Italy Reggio Emilia in the Visconti Age Joanna Carraway Vitiello examines the criminal trial at the end of the fourteenth century Inquisition procedure in which a powerful judge largely controlled the trial process was in regular use in the criminal court at Reggio Yet during the period considered in this study technical procedural developments combined with the political realities of the town to create a system of justice that prosecuted crime but also encouraged dispute resolution Following the stages of the process including investigation denunciation the weighing of evidence and the verdict this study investigates the court's complex role as a vehicle for both personal justice and prosecution in the public interest *The Right to Counsel and the Protection of Attorney-Client Privilege in Criminal Proceedings* Lorena Bachmaier Winter, Stephen C. Thaman, Veronica Lynn, 2020-06-10 The book provides an overview of the right to counsel and the attorney client privilege in the following 12 jurisdictions China Germany Greece Italy Japan the Netherlands Portugal Spain Switzerland Turkey UK and USA The right to counsel is a fundamental right providing the accused access to justice in criminal proceedings Lawyers can only practice their profession properly if clients have complete trust in their lawyer's discretion This trust is safeguarded by the attorney client privilege which is an indispensable part of every constitutional state and one of the most important professional duties of a lawyer It is of particular importance in criminal proceedings regarding the protection of the confidentiality of lawyer client communications in the different procedural stages coercive measures as well as the various duties and interests in play However the communications protected by attorney client privilege vary greatly from country to country With regard to criminal investigations in an increasingly globalised world where sophisticated tools enable broad digital investigations there is an urgent need to clarify how this fundamental right is protected at both the national and supranational level Each chapter explores the regulations practices and recent developments in each jurisdiction and was written by highly qualified experts in the legal field from academia and practice alike It identifies possible solutions and best practices providing valuable insights for practitioners and law making bodies alike regarding the actual protection or lack thereof of lawyer client confidentiality in the pretrial and trial stage of criminal proceedings
