Jackson II, Elaine B. Richardson, 2014-05-22 This is an extraordinarily well balanced collection of essays focused on varied expressions of African American Rhetoric it also is a critical antidote to a preoccupation with Western Rhetoric as the arbiter

of what counts for effective rhetoric Rather than impose Western terminology on African and African American rhetoric the essays in this volume seek to illumine rhetoric from within its own cultural expression thereby creating an understanding grounded in the culture s values The consequence is a richly detailed and well researched set of essays The contribution of African American rhetoric can no longer be rendered invisible through neglect of its tradition The essays in this volume neither seek to displace Western Rhetoric nor function as an uncritical paen to Afrocentricity and Africology This volume is both timely and essential timely in advancing a better understanding of the richly textured history that is expressed through African American discourse and essential as a counterpoint to the hegemonic influence of Greek and Roman rhetoric as the origin of rhetorical theory and practice Written in the spirit of a critical rhetoric this collection eschews traditional focus on public address and instead offers a rich array of texts in musical and other forms that address publics **Du Bois's**

Dialectics Reiland Rabaka, 2009-01-01 With chapters that undertake ideological critiques of education religion the politics of reparations and the problematics of black radical politics in contemporary culture and society Du Bois s *Dialectics* employs Du Bois as its critical theoretical point of departure and demonstrates his and Africana Studies contributions to as well as contemporary critical theory s connections to critical pedagogy sociology of religion and reparations theory Rabaka offers the first critical theoretical treatment of the W E B Du Bois Booker T Washington debate which lucidly highlights Du Bois s transition from a bourgeois black liberal to a black radical and revolutionary democratic socialist *Africana Critical Theory* Reiland Rabaka, 2009-01-16 Building on and going far beyond W E B Du Bois and the Problems of the Twenty First Century and Du Bois s *Dialectics* Reiland Rabaka s *Africana Critical Theory* innovatively identifies and analyzes continental and diasporan African contributions to classical and contemporary critical theory This book represents a climatic critical theoretical clincher that cogently demonstrates how Du Bois s rarely discussed dialectical thought interdisciplinarity intellectual history making radical political activism and world historical multiple liberation movement leadership helped to inaugurate a distinct Africana tradition of critical theory With chapters on W E B Du Bois C L R James Negritude Aime Cesaire and Leopold Senghor Frantz Fanon and Amilcar Cabral *Africana Critical Theory* endeavors to accessibly offer contemporary critical theorists an intellectual archaeology of the Africana tradition of critical theory and a much needed dialectical deconstruction and reconstruction of black radical politics These six seminal figures collective thought and texts clearly cuts across several disciplines and therefore closes the chasm between Africana Studies and critical theory constantly demanding that intellectuals not simply think deep thoughts develop new theories and theoretically support radical politics but be and constantly become political activists social organizers and cultural workers that is folk the Italian critical theorist Antonio Gramsci referred to as organic intellectuals In this sense then the series of studies gathered in *Africana Critical Theory* contribute not only to African Studies African American Studies Caribbean Studies Cultural Studies Gender Studies and Postcolonial Studies but also to contemporary critical theoretical discourse across an amazingly wide range of traditional

disciplines and radical political activism outside of and in many instances absolutely against Europe's ivory towers and the absurdities of the American academy Handbook of Black Studies Molefi Kete Asante, Maulana Karenga, 2006 Publisher
