The Life of D. L. Moody by His Son William R. Moody,2018-08-21 The preparation of my Father s biography has been undertaken as a sacred trust Early in the spring of 1894 he was asked by an old friend for permission to issue a biography with his approval This my Father declined to do and on that occasion expressed the wish that I should assume the task when his life work was ended In reply to my objection that such an undertaking demanded a literary experience that I did not possess he said I don t care anything about that What I want is that you should correct inaccuracies and misstatements that it would be difficult to straighten out during my life You are the one to do this All my friends will unite on you and give you their assistance There are many who think they know me better than any one else and would feel themselves best able to interpret my life IF you do not do this work there will be many inaccurate and conflicting Lives From the Introduction

The Life of Dwight L. Moody William Revell Moody,2001-06 Moody lived solely for the glory of God and for the spread of the Gospel of Jesus Christ It is the earnest prayer of his family that in this record of his career his life s purpose may be conserved Mr Moody was a born teacher He was also a great learner His capacity for drawing out information from people with whom he came in contact was marvelous Early in his public speaking he would gather around him Bible teachers evangelists and pastors secure their best thoughts on some subject upon which he was to speak and then go directly from

such a conference to a meeting to deliver a heart searching sermon the actual material for which he had secured from his friends absorbed and made his own In answer to an inquiry how far a young man was at liberty to use other mens thoughts he replied Always give due credit if you can and if you cant or if you dont want to mention the mans name say Some one has said Dont be afraid of using other mens thoughts The chances are that the man you get it from read it in some other form There is practically very little that is original and its better to give the best of others thoughts than what is poor even if it is original As a preacher D L Moody was much criticized from the standpoint of academic homiletics Nor would any think of defending his preaching method on that ground But the fact that for thirty five continuous years in the centers of culture and of active practical thought in the English speaking world this self taught preacher drew the greatest audiences which have faced any modern speaker on any theme this fact should suggest to teachers of homiletics that possibly they might learn something from him Dwight Lyman Moody 1837 1899 was an American evangelist who toured major American and British cities and founded several educational institutions The Life of Dwight L. Moody William Revell Moody,1900 LBC Collection copy was presented to Lancaster Bible College in honor of Charlie Jones for the Charles Gloria Jones Library Richard and Laurine Schmelzle D. L. Moody William Revell Moody,1900 Blackwood's Edinburgh Magazine ,1825

Complete Works Abraham Lincoln,1905 **Life of William Capers, D. D., One of the Bishops of the Methodist Episcopal Church, South** William May Wightman,1859 **The Complete Works of William Makepeace Thackeray** William Makepeace Thackeray,1906 *The Complete Works of William Makepeace Thackeray: The Newcomes, with introduction by William Archer* William Makepeace Thackeray,1906
