**Resources in Education**  
,2001 Journal of Health, Physical Education, Recreation ,1963 *Adapted Physical Education National Standards*  
National Consortium for PE for Individuals With Disabilities,2019-03-18 Adapted Physical Education National Standards  
Third Edition thoroughly covers the latest Adapted Physical Education National Standards APENS offering current  
knowledge and best practices for teaching adapted physical education This new edition solidifies the book s reputation as an  
essential resource for adapted physical educators Representing the first major revision to the standards since 2006 Adapted  
Physical Education National Standards Third Edition fully explains the 15 national standards as established by the National  
Consortium for Physical Education for Individuals with Disabilities NCPEID In addition to updating the national standards  
this resource offers educators and professionals two other important updates a new web study guide and a fresh design of  
the text The study guide includes important information and more than 1 100 sample test questions for educators who are  
studying to take the Certified Adapted Physical Educator CAPE exam This new tool allows candidates to prepare for the exam  
by taking practice quizzes based on the content within each standard For each practice quiz the reader is presented with  
questions randomly drawn from a pool of questions for that standard ensuring a wide variety of sample exam possibilities The  
candidate then receives a score and can review the correct and incorrect answers to determine areas for further study  
Candidates can also view and download a comprehensive list of all questions for all standards The new text design makes the  
content within each standard easier to read providing a greater understanding of each level at a glance Each of the 15  
standards is presented in five levels The level for a typical standard is organized this way Level 1 the standard number and  
name Level 2 the major components of the standard Level 3 the standard s subcomponents dependent pieces of knowledge of  
fact or principle related to the major component Level 4 adapted physical education content additional knowledge regarding  
the subcomponents that teachers working with individuals with disabilities need to know Level 5 application of adapted  
physical education content from level 4 to teaching individuals with disabilities Levels 1 through 3 outline the basic  
instructional competencies that physical educators who teach students in integrated or segregated environments must be  
able to demonstrate Those levels provide the foundation for levels 4 and 5 The standards are logical extensions of SHAPE  
America s 2017 National Standards for Initial Physical Education Teacher Education SHAPE America s 2008 Advanced

Standards for Physical Education and the National Board for Professional Teaching Standards 2014 Physical Education Standards Adapted Physical Education National Standards Third Edition is useful for a variety of stakeholders Physical education majors and in service teachers who are preparing for the APENS exam Higher education faculty members who want to evaluate their adapted physical education preparation programs K 12 administrators who want to use APENS exam results for reviewing and hiring new teachers Parents of children who require adapted physical education instruction to inquire at their child s IEP meeting about the qualifications of the physical educator for their child The book features an appendix of Frequently Asked Questions a glossary of terms that includes abbreviations and acronyms in the field and a summative list of references that were used by NCPEID committees in developing the APENS standards It also includes an overview of NCPEID and a detailed description of how the standards and the certification exam were developed Adapted Physical Education National Standards Third Edition will keep readers up to date on the standards help them prepare for the CAPE exam and help ensure that high quality adapted physical education is available for all students who can benefit from it
