Mrs. Garbien's Class

February 2017

Reader's Workshop

We are in the midst of our Historical Fiction unit. The children have been enthralled with our class read aloud Number the Stars and are doing great work in their historical fiction book clubs. There has been a great emphasis on determining the themes of the books we read with evidence. We will be following the TC unit for test preparation after the break. We will focus on close-reading techniques and reading across a variety of genres, as well as looking at nonfiction text structures.

Writer's Workshop

We are working on our literary essay unit in Writer's Workshop. The children are reading closely to notice details that allow them to grow big ideas based on the book Exo. The class will then use these skills to develop ideas about the deeper interpretations of our read aloud, Number the Stars, and to grow theories about some of the characters and larger themes they noticed across the story. The students will eventually be tying all their thoughts together into a cohesive literary essay.

Math

In math, we are working with fractions. The students have learned to make equivalent fractions, simplify fractions, compare fractions, and add and subtract them as well! We will move onto mixed numbers and improper fractions next. There is a lot of vocabulary and concepts to keep track of and the class is working hard to master it all!

Social Studies

The class has begun studying Colonial Times by learning about what attracted people to the "New World" in the first place. Each student is creating a digital advertisement to entice newcomers to the New World! We will move onto learning about the customs, clothing, and way of life of the people who first settled here hundreds of years ago.
