

Welcome to the GCSE 2009 Physical Education Sample Assessment Materials

These sample assessment materials have been written to accompany the specification. They have been developed to give you and your students a flavour of the actual exam paper and mark scheme so they can experience what they will encounter in their assessment. They feature:

- **An accessible paper** using a mixture of question styles. We've worked hard to ensure the paper is easy to follow and encourage all students to achieve their full potential.
- **A clear and concise mark scheme** for the paper outlining what examiners will be looking for in the assessment, so you can use the sample paper with students to help them prepare for the real thing.

Our GCSE 2009 Physical Education qualification will be supported better than ever before. Keep up to date with the latest news and services available by visiting our website:
