

Sample Criminal Law Answer Using the IRAC Method

QUESTION

Egor, who had a history of depression and schizophrenia, and his wife Irina were eating in a restaurant. Egor was taking medication for his condition and was therefore not drinking alcohol. He was trying to reassure Irina who had received threatening letters from her ex-husband Alexey. All of a sudden, Alexey, who was very drunk, burst into the restaurant and stormed over to Egor and Irina's table shouting: 'You stole my wife! You must die!' Egor was alarmed. He picked up the heavy water jug from the table and threw it at Alexey. It hit Alexey on the head and he fell to the floor, unconscious. The sight of Alexey lying on the floor enraged Egor as he remembered the letters Alexey had sent to Irina. He was also worried that Alexey might wake up and kill him. He repeatedly kicked Alexey who died of a fractured skull before an ambulance could be called.
