*LEED Professional Accreditation Study Guide and Practice Exam* U.S. Green Building Council. Colorado Chapter,2007 *Introduction to Policing* Steven M. Cox,Susan Marchionna,Brian D. Fitch,2015-12-31 Introduction to Policing Third Edition continues to focus on the thought provoking contemporary issues that underscore the challenging and rewarding world of policing Steven M Cox Susan Marchionna and experienced law enforcement officer Brian D Fitch balance theory research and practice to give students a comprehensive yet concise overview of both the foundations of policing and the expanded role of today s police officers The accessible and engaging writing style combined with stories from the field make policing concepts and practices easy for students to understand and analyze Unique coverage of policing in multicultural communities the impact of technology on policing and extensive coverage of policing strategies and procedures such as those that detail the use of force make this bestselling book a must have for policing courses Firearm Abuse Steven Brill,1977 Analysis of statistics from Atlanta Baltimore Chicago Detroit Houston New York Philadelphia San Francisco and Washington DC to study trends in firearm abuse as a first step toward developing policy alternatives This study represents the first sustained effort to examine from the police perspective the problem of firearm abuse by using police records Some intriguing information has been developed For example a significant finding emerges from an examination of samples of firearms confiscated in ten cities Data show the frequency with which higher priced well known brands of handguns appear in the samples of firearms believed to be involved in murder robbery assault and other felonies This evidence clearly indicates that the belief that so called Saturday night specials inexpensive handguns are used to commit the great majority of these felonies is misleading and counterproductive and can confuse the police administrator in confronting the problem of firearm abuse

The variations in firearm confiscation rates among the ten cities studied in this report suggest that police policy and procedures in these cities should be studied further so that police efforts to confiscate illegally possessed firearms can be improved
