Ruminations: Selected Philosophical, Historical, and Ideological Papers, Volume 1, Part 2. The Finite Eric v.d. Luft, 2020-09-13 Since the 1970s I have pursued three separate but overlapping and sometimes simultaneous careers 1 philosopher writer teacher historian of the long nineteenth century 1789-1914 2 editor translator photographer publisher biographer encyclopedist 3 cataloging librarian rare books and special collections librarian historian of medicine Somehow these three vocations have garnered me some acclaim even an entry in Who's Who in America Each of them has resulted in some published or presented works Because these works have been scattered in a wide variety of venues some of which have

gone out of print or have otherwise become generally unavailable and of course with the oral presentations being gone as soon as they are given I have thought it wise to select epitomize and bring them together in one place here Thus what follows in these volumes is what I consider to be the most important of my shorter works All translations are my own unless otherwise indicated
