Object Lessons for the Cradle Roll Frances Weld Danielson,1915 Epic Families, Equipping Parents to Inspire Their Children to Know God Beth Meltzer,2014-09-29 Epic Families not only identifies a problem within today's church but presents suggestions that equip parents to raise kids who are passionate for Jesus and offers ways that churches can partner with and empower parents in this mission Definitely well worth the read Rev Allen Perdue Lead Pastor Jersey Life Church Today's children are not raised in a bubble Daily they are bombarded with worldly wisdom and are tempted at earlier ages with things that would have stunned parents of previous generations Epic Families strives to help parents reclaim their God given mandate to raise their children to know and love Him Developed through more than a decade of ministry experience as well as one on one coaching with parents and church staff this book identifies ways that the church has taken over a role that was designed for parents It offers suggestions to parents to help them confidently teach their children about the God who made them loves them and wants a relationship with them while also suggesting ways that churches can partner with parents while not usurping the parents role Epic Families can empower parents to inspire their children to trust God and make wise choices In the busy and sometimes scary world we live in parents need to intentionally showcase God's presence to their children and let Him permeate their lives this book offers them a valuable resource to do that Object Lessons Jessie P. result Very touching the tenderness with which he at times reproves the allowance which he makes for human infirmities and for those in secular life if they will not make their infirmities their boast or in allowed duties and indulgences forget God But his very simplicity precludes the necessity of any preface His Sermons explain themselves They appear from a passage in the Commentary on the Psalms to have been often taken down in writing at the time by the more attentive sort of hearers as were those of St Chrysostom Possidius states that this was done from the commencement of his presbyterate and that thence through the body of Africa excellent doctrine and the most sweet savour of Christ was diffused and made manifest the Church of God beyond seas when it heard thereof partaking of the joy *Observations on the Article "Deaf and Dumb" [by Peter Mark Roget] in the eighth edition of the Encyclopædia Britannica.
