Britain's Industrial Revolution in 100 Objects John

Broom,2023-02-22 The period of Britain's Industrial Revolution was perhaps the most transformative era in the nation's history Between about 1750 and 1914 life and work home and school church and community changed irreversibly for Britain's rapidly expanding population Lives were transformed some for the better but many endured abysmal domestic and workplace conditions Eventually improvements were made to Britain's social fabric which led to the prospect of richer and more fulfilled lives for working men women and even children Focusing on 100 objects that either directly influenced or arose from these changes John Broom offers a distinctive insight into this fascinating age With plentiful illustrations and suggestions for visits to hundreds of places of historical interest this book makes an ideal companion for a journey into Britain's industrial past

Narrow Minds Marie Browne,2011-11-17 In her debut memoir Narrow Margins Marie Browne saved her family from financial ruin by moving her long suffering husband three children and a dog on to a houseboat called Happy Go Lucky in search of a less stressful alternative way of life Now in Narrow Minds the family find themselves sucked back into normality they're pretty much back where they started horrible house no boat and the kids are beginning to threaten mutiny Facing perky postmen ice skating cows psychotic villagers and outraged rodents they're running out of time their financial situation is getting desperate and there's every chance life has conspired against them to make sure they never get back afloat Until they find the answer to their dreams lies with Minerva a narrow boat even more run down than the first This hilarious follow up shows the lengths to which a desperate woman will go just to restore her preferred lifestyle

~**And Then There Were Four** Daisy Roessler, Ellen Stein, Lisa Klei,2006-04-25 This book was born when we four

childhood friends from our school days realized that each of us had different and unique memories of growing up in pre Holocaust Berlin We wanted to share these stories not only with our families and friends but with others In so doing we honor our parents and acknowledge the distinctive ways in which they coped with overwhelming circumstances Their efforts and their courage made it possible for us to survive We also remember our sometimes miraculous escapes our subsequent adventures and the challenges of adapting to a new culture and a foreign language We even discovered occasional joy in the process We cherish our lasting friendship and look forward to what the future still has to offer LE CHAYIM TO LIFE

Water Ways Jasper Winn,2018-06-07 For a hundred and fifty years between the plod of packhorse trains and the arrival of the railways canals were the high tech water machine driving the industrial revolution Amazing feats of engineering they carried the rural into the city and the urban into the countryside and changed the lives of everyone And then just when their purpose was extinguished by modern transport they were saved from extinction and repurposed as a slow highways network a peaceful and countrywide haven from our too busy age Today there are more boats on the canals than in their Victorian heyday Writer and slow adventurer Jasper Winn spent a year exploring Britain s waterways on foot and by bike in a kayak and on narrowboats Along a thousand miles of wet roads and water streets he discovered a world of wildlife corridors underground adventures the hardware of heritage and history new boating communities endurance kayak races and remote towpaths He shared journeys with some of the last working boat people and met the anglers walkers boaters activists volunteers and eccentrics who have made the waterways their home In Britain most of us live within five miles of a canal and reading this book we will see them in an entirely new light

Boaters of London Ben Bowles,2024-05-03 London and the Southeast of England is home to an alternative community of people called boaters individuals and families who live on narrowboats cruisers and barges along a network of canals and rivers Many of these people move from place to place every two weeks due to mooring rules and form itinerant communities in the heart of some of the UK s most built up and expensive urban spaces Boaters of London is an ethnography that delves into the process of becoming a boater adopting an alternative lifestyle on the water and the political impact that this travelling population has on the state
