Not all states are the same.

Variance in organization of institutions

- Differences impact political, economic, social institutions.
- Process of **state formation** influences political differences.
- **State formation**—historical evolution of the state.

Political Legitimacy And The State

S Nieto

Political Legitimacy And The State:

Political Legitimacy and the State Rodney S. Barker, 1990 *Political Legitimacy and the State* Rodney Barker, 1990
Governments and their supporters attempt to justify their power by arguing for their moral rightful or predestined claim to authority Political Legitimacy and the State examines the accounts that have been given of legitimacy proposing that legitimization should be studied as a form of political activity in its own right Drawing on recent historical examples Barker argues for a more diversified understanding of the function and character of political legitimacy suggesting that rulers are often far more concerned about legitimating their power than are those whom they govern State Formation and Political Legitimacy Ronald Cohen, Judith D. Toland, 2024-12-06 The evolution of the state from earlier forms of political organization is associated with revolutionary changes in the structure of inequality These magnify distinctions in rank and power that outweigh anything previously known in so called primitive societies This volume explains how and why people came to accept and even identify themselves with this new form of authority The introduction provides a new theory of legitimacy by synthesizing and uniting earlier theories from psychological cultural materialist rational choice and Marxist approaches The case studies which follow present a wide range of materials on cultures in both Western and non Western settings and across a number of different historical periods Included are examples from Africa Asia Europe and the New World Older states such as Ur Inca and medieval France are examined along with more contemporary states including Indonesia Tanzania and the revolutionary beginnings of the United States Using a variety of approaches the contributors show in each instance how the state obtained and used its power then attempted to have its power accepted as the natural order under the protection of supra naturally ordained authority No matter how tyrannical or benign the cases show that state power must be justified by faith and experience that demonstrates its value to the participants Through such analysis the book demonstrates that states must be capable of enforcing their rule but that they cannot deceive populations into accepting state domination Indeed the book suggests that social evolution moves toward less coercive rule and increased democratization Ronald Cohen is a political anthropologist who has taught at the Universities of Toronto McGill Northwestern and Ahmadu Bello and is on the faculty of the University of Florida He has carried out field research in Africa the Arctic and Washington His major works include The Kanuri of Borno Dominance and Defiance Origins of the State and a book in preparation on food policy and agricultural transformation in Africa Judith D Toland is a lecturer at University College Northwestern University and the College of Arts and Sciences Loyola University of Chicago She is the director of her own corporate and non profit consulting firm She has done fieldwork in Ayacucho Peru and has written widely on the Inca State **Political Legitimacy and the State** Rodney Steven Barker, 1990 Political Legitimacy Terje Rasmussen, 2022-07-21 Political Legitimacy Realism in Political Theory and Sociology explores the concept of political legitimacy the nature of the normative foundation of politics and the state With particular attention to the broad theoretical approach of political realism within political theory and

political sociology it examines the work of figures including Bernard Williams Raymond Geuss John Grey Max Weber and Niklas Luhmann among others Contending that in the face of the waning influence of political idealism the insights of political realism constitute a promising way forward the author also advances the view that realist political theory would benefit from sociological insights particularly on the nature of the state As such Political Legitimacy will appeal to scholars and students of social and political theory political sociology and political philosophy

East Asian Perspectives on Political Legitimacy Joseph Chan,Doh Chull Shin,Melissa S. Williams,2016-11-17 What makes a government legitimate Why do people voluntarily comply with laws even when no one is watching The idea of political legitimacy captures the fact that people obey when they think governments actions accord with valid principles For some what matters most is the government s performance on security and the economy For others only a government that follows democratic principles can be legitimate Political legitimacy is therefore a two sided reality that scholars studying the acceptance of governments need to take into account The diversity and backgrounds of East Asian nations provides a particular challenge when trying to determine the level of political legitimacy of individual governments This book brings together both political philosophers and political scientists to examine the distinctive forms of political legitimacy that exist in contemporary East Asia It is essential reading for all academic researchers of East Asian government politics and comparative politics

Deliberative Democracy, Political Legitimacy, And Self-determination In Multi-cultural Societies Jorge Valadez,2018-03-09 Most foundational works in political philosophy have made fundamentally false and far reaching assumptions concerning the culturally homogeneous character of the polity Deliberative Democracy Political Legitimacy and Self Determination in Multicultural Societies provides a much needed corrective to conventional accounts of the normative foundations of the state by reconceptualizing some of the fundamental issues in political theory from a perspective that recognizes the culturally pluralistic character of contemporary democracies Among the issues considered are democratic deliberation in multicultural societies the justification and function of political communities the nature of self determination the justification of cultural rights and the moral rationale for regional self governance and secession This work is suitable for graduate and upper division undergraduate courses in political philosophy and political science as well as the lay reader interested in understanding the major sources of conflict and instability in democratic societies

Political Legitimacy in Postcolonial Mali Dorothea E. Schulz,2021 An innovative examination of our understanding of political legitimacy in Mali and its wider implications for democratization and political modernity in the Global South

Quasi-state Entities and International Criminal Justice Ernst Dijxhoorn,2017-02-17 This book explores the intended and unintended impact of international criminal justice on the legitimacy of quasi state entities QSEs In order to do so the concept of quasi state entity is introduced to distinguish actors in statehood conflicts that aspire to statehood and fulfil statehood functions to a greater or lesser degree including the capacity and willingness to deploy armed force but lack the status of sovereign statehood This work explores

the ability of QSEs to create and maintain legitimacy for their actions institutions and statehood projects in various constituencies simultaneously It looks at how legitimacy is a prerequisite for success of QSEs and using critical legitimacy theory assesses the legitimating narratives of QSEs and their statehood adversaries The book links international criminal justice to statehood projects of QSEs and their success and legitimacy It looks at the effects of international criminal justice on the ability to create and maintain legitimacy of QSEs an approach that leads to new insights regarding international courts and tribunals as entities competing with states over statehood functions that increasingly have to take the legal implications of their actions into consideration Most important a close assessment of the legitimising narratives of QSEs counter narratives and the messages sent by international criminal justice with which QSEs have to deal and their ability to overcome legitimacy crises provides insight on QSEs and the complex processes of legitimation This book will be of much interest to students of international criminal justice political violence security studies and IR

Political Legitimacy in Southeast Asia Muthiah Alagappa, 1995 Despite the end of the Cold War security continues to be a critical concern of Asian states Allocations of state revenues to the security sector continue to be substantial and have in fact increased in several countries As Asian nations construct a new security architecture for the Asia Pacific region Asian security has received increased attention by the scholarly community But most of that scholarship has focused on specific issues or selected countries This book aims to lay the groundwork for a comprehensive in depth understanding of Asian security by investigating conceptions of security in sixteen Asian countries The book undertakes an ethnographic country by country study of how Asian states conceive of their security For each country it identifies and explains the security concerns and behavior of central decision makers asking who or what is to be protected against what potential threats and how security policies have changed over time This inside out or bottom up approach facilitates both identification of similarities and differences in the security thinking and practice of Asian countries and exploration of their consequences The crucial insights into the dynamics of international security in the region provided by this approach can form the basis for further inquiry including debates about the future of the region

Routledge Handbook on Human Rights and the Middle East and North Africa Anthony Tirado Chase, 2016-11-10 Recent events such as Iran's Green Revolution and the Arab Uprisings have exploded notions that human rights are irrelevant to Middle Eastern and North African politics Increasingly seen as a global concern human rights are at the fulcrum of the region's on the ground politics transnational intellectual debates and global political intersections The Routledge Handbook on Human Rights and the Middle East and North Africa emphasises the need to consider human rights in all their dimensions rather than solely focusing on the political dimension in order to understand the structural reasons behind the persistence of human rights violations explores the various frameworks in which to consider human rights conceptual political and transnational international discusses issue areas subject to particularly intense debate gender religion sexuality transitions and accountability contains contributions from perspectives that span

from global theory to grassroots reflections emphasising the need for academic work on human rights to seriously engage with the thoughts and practices of those working on the ground A multidisciplinary approach from scholars with a wide range of expertise allows the book to capture the complex dynamics by which human rights have had or could have an impact on Middle Eastern and North African politics This book will therefore be a key resource for students and scholars of Middle Eastern and North African politics and society as well as anyone with a concern for Human Rights across the globe

Encyclopedia of Global Justice Deen K. Chatterjee, 2011-10-06 This two volume Encyclopedia of Global Justice published by Springer along with Springer's book series Studies in Global Justice is a major publication venture toward a comprehensive coverage of this timely topic The Encyclopedia is an international interdisciplinary and collaborative project spanning all the relevant areas of scholarship related to issues of global justice and edited and advised by leading scholars from around the world The wide ranging entries present the latest ideas on this complex subject by authors who are at the cutting edge of inquiry The Encyclopedia sets the tone and direction of this increasingly important area of scholarship for years to come The entries number around 500 and consist of essays of 300 to 5000 words The inclusion and length of entries are based on their significance to the topic of global justice regardless of their importance in other areas

Philosophical Anarchism and Political Obligation Magda Egoumenides, 2014-08-28 Political obligation refers to the moral obligation of citizens to obey the law of their state and to the existence nature and justification of a special relationship between a government and its constituents This volume in the Contemporary Anarchist Studies series challenges this relationship seeking to define and defend the position of critical philosophical anarchism against alternative approaches to the issue of justification of political institutions The book sets out to demonstrate the value of taking an anarchist approach to the problem of political authority looking at theories of natural duty state justification natural duty of justice fairness political institutions and more It argues that the anarchist perspective is in fact indispensable to theorists of political obligation and can improve our views of political authority and social relations This accessible book builds on the works of philosophical anarchists such as John Simmons and Leslie Green and discusses key theorists including Rousseau Rawls and Horton This key resource will make an important contribution to anarchist political theory and to anarchist studies more generally

Ideology, Legitimacy and the New State Sinisa Malesevic, 2013-01-11 A comparative analysis of the dominant ideologies and modes of legitimization in communist Yugoslavia and post Communist Serbia and Croatia The aim of the book is to identify and explain dominant normative and operative ideologies and principal modes of legitimization in these three case studies

LEGITIMACY, 2018 **Globalization and State Transformation in China** Yongnian Zheng, 2004 As China develops its economy the author argues it will be held back by its refusal to import democratic values

Oxford Studies in Political Philosophy Volume 5 David Sobel, Peter Vallentyne, Steven Wall, 2019 This is the fifth volume of Oxford Studies in Political Philosophy The series aims to publish some of the best contemporary work in the vibrant field of political philosophy

and its closely related subfields including jurisprudence normative economics political theory in political science departments and just war theory

Political Legitimation in Communist States T. H. Rigby, Ferenc Feher, 1982-06-18

Heritage and the Making of Political Legitimacy in Laos Phill Wilcox, 2025-10-01

The Lao People's Democratic Republic is nearly fifty years old and one of the few surviving one party socialist states. Nearly five decades on from its revolutionary birth the Lao population continues to build futures in and around a political landscape that maintains socialist rhetoric on the one hand and capitalist economics on the other. Contemporary Lao politics is marked by the use of cultural heritage as a source of political legitimacy. Researched through long term detailed ethnography in the former royal capital of Luang Prabang itself a UNESCO recognized World Heritage Site since 1995 this book takes a fresh look at issues of legitimacy heritage and national identity for different members of the Lao population. It argues that the political system has become sufficiently embedded to avoid imminent risk of collapse but suggests that it is facing new challenges primarily in the form of rising Chinese influence in Laos.

Political Legitimization without Morality? Jörg Kühnelt, 2008-07-08

The initial idea for this anthology arose during my work at the interdisciplinary Collaborative Research Centre SFB 485 Norm and Symbol at the University of Konstanz. My research project on the potential of Hobbesian contract theory was influenced by the focus of the SFB on social phenomena such as pluralism and cultural change. In this context I realized that the Hobbesian idea to refer only to instrumental rationality and basic egoistic interests to legitimize a state has on one hand some advantages for pluralistic societies. All individuals are supposed to share these premises independent of the personal values they might hold. On the other hand a rational legitimization must cope with the fundamental problem of explaining and legitimizing those tasks of legal states that go beyond the idea of a minimal state. Although my research was focused on the idea of solving this problem with a modification of the Hobbesian argument I became interested in the more general question of which role morality could or should play in legitimizing a state. Within the current discussion not only rational but also political accounts of legitimacy can be attractive as soon as they try to avoid contentious normative premises. To analyse some of the core ideas within the current discussion I organized an interdisciplinary workshop at the University of Konstanz in December 2004 in which different perspectives from sociology politics and philosophy were compared and analysed.

The Engaging Realm of Kindle Books: A Thorough Guide Revealing the Advantages of E-book Books: A Realm of Convenience and Flexibility Kindle books, with their inherent portability and simplicity of access, have liberated readers from the limitations of hardcopy books. Gone are the days of carrying bulky novels or carefully searching for specific titles in shops. Political Legitimacy And The State Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Legitimacy And The State has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Legitimacy And The State has opened up a world of possibilities. Downloading Political Legitimacy And The State provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate

access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Legitimacy And The State has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Legitimacy And The State. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Legitimacy And The State. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Legitimacy And The State, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Legitimacy And The State has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Legitimacy And The State Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
