Commonwealth Office,1946 Indian Ocean Islands Christian Bouchard,Shafick Osman,2018-12-07 Islands are intrinsic
parts of the Indian Ocean Region s physical geography and human landscape Historically many have played substantial roles
in the regional cultural and economic networks as well as in the regional political developments Today at least three issues
bring these islands back to the forefront of the regional and global affairs namely geopolitics and strategic matters
environmental conditions and challenges as well as ocean affairs However there has not been yet a lot of research and
publications on this phenomenon of islands growing significance in the specific context of the Indian Ocean Region This book
provides a rare attempt to cover various issues related to geopolitics international relations history security anthropology and
ocean environment of Indian Ocean islands and their societies More specifically it provides case studies on Sri Lanka foreign
policy Cocos and Christmas Islands geo strategy Chagos Archipelago history Mauritius Indo Mauritians Mauritius and
Seychelles maritime security European Union and the Indian Ocean Islands international relations and Sundarban islands
environment and society The chapters were originally published in a special issue of the Journal of the Indian Ocean Region

African Defence and Armed Forces** Evert Kleynhans,Marco Wyss,2025-03-01 The Handbook of African Defence and
Armed Forces provides the first in depth and multifaceted analysis of the evolution and current state of national defence

policies strategies doctrines capabilities security challenges and strategic responses of African states and their armed forces Geographically these aspects are investigated at the national sub regional and regional levels Chronologically they are analysed against the backdrop of the superpower withdrawal from the continent in the 1990s and the so called New Scramble for Africa which has seen a crescendo of renewed great power interest in the continent s resources as well as its strategic role location and relevance since the 2000s The book takes a bottom up and African centric approach and is organized around five key themes i the differing security outlooks and defence policies of African powers within the region and the different sub regions ii the strategies doctrines transformation and employment of African armed forces iii the relationship between African armed forces with sub regional regional and international organizations iv the challenges that African states and their armed forces have been facing and their strategic responses and v the position of African perspectives and agency in the context of continental and international security and defence Understanding African security and defence especially in terms of each individual nation s ability to contribute to peacekeeping operations counterterrorism border security and internal security requires a focus on the national level of armed forces and defence policies this in turns sheds light on sub regional and regional divergences challenges and cooperation Based on this framework the chapters in this volume offer comprehensive African perspectives on African and international security and defence and in doing so show the agency of the continent s countries and armed forces in International Security and Relations
