Concrete Solutions 2014 Michael Grantham, P A Muhammed Basheer, Bryan Magee, Marios Soutsos, 2014-08-18 The Concrete Solutions series of International Conferences on Concrete Repair began in 2003 with a conference held in St Malo France in association with INSA Rennes Subsequent conferences have seen us partnering with the University of Padua in 2009 and with TU Dresden in 2011 This conference is being held for the first time in the UK in associ

Simultaneous Source Seismic Acquisition Ray Abma, Mark S. Foster, 2020-12-31 This book introduces simultaneous source technology and helps those who practice it succeed Although the book does not include all developments which would have entailed a much longer treatise this work is written through the lens of decades of experiences and allows readers to understand the development of independent simultaneous sourcing The relationships between data acquisition and data processing are discussed because never before have they been so intertwined as in this area In addition to describing the underlying technologies this book also is a user guide which discusses survey design and acquisition and describes the sensitivities of the processing algorithms which can allow simultaneous source technology to succeed The audience for this book includes acquisition and processing geophysicists who will work with these data as well as those who require only an overview of the state of the art and even though they may not need the full technical details they may want to know the limitations and advantages of using simultaneous sources
