Liberation to the African Mind The Key to Black Salvation is a strong book written to the millions of African Americans who have had their history distorted by the Church and public schools Because of these distortions Black people are estranged and alienated from their culture and the wisdom of their ancestors The book challenges African Americans to begin to think for themselves especially in the realm of religion It is a prophetic book with a revolutionary perspective It is prophetic in that it points to the direction the Black Church must take to effectively address the spiritual needs of the Black community It is revolutionary because it challenges the Church and believers to establish a new paradigm an African Spiritual frame of reference The Black Church must transform itself and take on a new view of the scriptures doctrines and dogmas of Christendom This book documents the fact that what Blacks have been given as Christianity is in reality stolen African

mythology cosmology and history that has been corrupted by Roman and Greek priest philosophers and emperors It is one of the most powerful challenges to Orthodox Christianity to date The Truth will liberate you from their strong delusions While there is indeed some positive and beneficial aspects to Church membership it is time for the Black Church to make its exodus from the Western religious way of faith in God to the African spiritual way of knowledge of God Black Pastors and religious leaders must begin to teach that which will bring about the manifestation of the fullness of Christ This is the charge given to all church leadership by the Bible they teach from And He Himself gave some to be apostles some prophets some evangelist some pastors and teachers for the equipping of the saints for the work of the ministry for the edifying of the body of Christ till we all come to the unity of the faith and the knowledge of the Son of God to be a perfect man to the measure of the stature of the fullness of Christ Ephesians 4 11 13 There are far too many Babes in Christ in the Church It is not the fault of the believers but a reflection of corrupted doctrines and false dogmas In addition the unity of the Black Church must become a priority Not one church or believer can say they have no need of the rest of the Body of Christ in good conscience Yet unity in the Black Church is more a rhetorical than an actual reality Imagine what could be done if the wealth of the Church was combined to establish a super fund Unity must be at the top of the agenda for the Black Church and for the Black community Lastly though we have the proverbial church on every corner there is an undeniable spiritual crisis in the Black community The Liberation of the African Mind The Key to Black Salvation makes the Spiritual Resurrection of the Black man a valid goal and priority It will challenge many long held beliefs and dogmas however Christendom must be examined and that which is not of God must be abandoned Not since Marcus Garvey Fredrick Douglas and the Honorable Elijah Muhammad have Blacks questioned the validity or efficacy of Christianity Mr Muhammad made an attempt to make Blacks aware that Christianity was the religion of the people who had enslaved them Every race worships God in a way that is peculiar to their culture Since the days of captivity Blacks have worshiped the god of their conquerors and oppressors Worshipping a White man as God is not only a form of idolatry but extremely detrimental to the Black Psyche
