

IELTS-Style Speaking Test Questions and Answers

Shopping

Part 1

1) How do you feel about shopping?

I love going shopping, especially bargain hunting in the sales. Every few months I go into the city on a shopping spree with my friends.

2) What types of shops do you use regularly?

I go to the supermarket once a week for my groceries, although I buy all my meat from the local butcher. When I go into town, I always have a browse around the department stores.

3) What changes have you seen in those shops in the past few years?

I've noticed that the supermarket seems to sell a wider range of goods and services every year. They now even have their own pharmacy. I think that the main difference in the department store is an improvement in their customer service.

4) Do you like shopping on the internet?

Yes, I do enjoy shopping online. You have so much choice on the internet and it's easy to shop around. Also, you can purchase things immediately and they are often delivered the next day. It's much quicker than waiting until you have time to go into town.

5) What kinds of things do you buy online?

I purchase books, electrical goods, gifts, stationery and, in fact, most everyday products on the internet. It's really only clothes and shoes that I always buy on the high street as I like to try them on first.
