## **Rethinking Biblical Discipleship Perspective And Practice:**

*Rethinking Biblical Discipleship* Anthlone W. Wade, Glenroy H. Prince, 2014-10-22 Authors Anthlone Wade and Glenroy Prince have seen the sad reality of present day Christians who believe in the existence of God and the Lord Jesus Christ but are not willing to embrace the calling of being God honoring disciples of Jesus as well This is due in part to churches making excuses for not educating their congregations on how to apply the truths of the Gospel into their daily lives Their new book *Rethinking Biblical Discipleship* journeys into the essentials of discipleship as modeled and taught by Jesus His apostles and the Early Church and outlines how churches and Christians can join together to accomplish this discipleship mission

Carter, 2006 I am aware that the thesis of this book that we must move from a Christendom to a post Christendom way of thinking about the Christ and culture problem will be judged by many individuals to be far too radical for their tastes That is perfectly understandable so far as I am concerned I know that not everyone feels the pressure of the post Christendom trend equally at the same time Western Christendom was not built in a single day and it will take a long time for it to die out everywhere So I hope it does not sound arrogant when I say that I have not written this book for yesterday but for tomorrow and perhaps for today *The Importance of Inner Healing and Deliverance for Effective Discipleship* Johnathan Lee Shoo Chiang, 2019-12-18 Personal encounters with God are vital for the current generation of believers the postmodern millennial generation who affirm truth through experience Instead of the traditional view of inner healing and deliverance IHD as a hospital unit of the church this dissertation turned book will explain the biblical theological and current relevance of

incorporating IHD into the discipleship structure of the local church With field research based in Singapore and Taiwan a grounded theory based on empirical research attests to a framework that enables believers to personally and powerfully encounter God experience divine healing and wholeness and become equipped for ongoing sanctification      **Gathering Disciples** Myra Blyth, Andy Goodliff, 2017-02-08 This collection of essays by British Baptists honors the work of Christopher Ellis amongst the Baptist community recognizing in particular the contribution he has made to the practice and theology of Free Church worship The book takes a selection of his hymns as a starting point for reflection on areas of worship discipleship the sacraments and theology      *Shepherds of the Steppes* Mark D. Wood, 2023-06-01 The evangelical Mongolian church has experienced significant growth since the country opened to the world in 1990 Despite the growth and emergence of the evangelical church in Mongolia relatively little has been written on the church from the perspective of the leaders themselves This ethnographic study seeks to express the experience of male evangelical Mongolian church leaders in their own words The book focuses specifically on the leaders experiences of conversion discipleship navigation of Mongolian culture and traditions and theological education Readers will hear from evangelical church leaders why they became Christians and what their experience with discipleship was like for them The issue of contextualization for evangelical Christians is also a central focus In particular the translation of the term for God in Mongolian and the perspective of the church leaders are explored This book will be of interest to those exploring Christianity in Asia and post socialist contexts as well as seeking to better understand contemporary Mongolian culture      Seeking the Straight and Narrow Lynne Gerber, 2012-08-01 Losing weight and changing your sexual orientation are both notoriously difficult to do successfully Yet many faithful evangelical Christians believe that thinness and heterosexuality are godly ideals and that God will provide reliable paths toward them for those who fall short Seeking the Straight and Narrow is a fascinating account of the world of evangelical efforts to alter our strongest bodily desires Drawing on fieldwork at First Place a popular Christian weight loss program and Exodus International a network of ex gay ministries Lynne Gerber explores why some Christians feel that being fat or gay offends God what exactly they do to lose weight or go straight and how they make sense of the program s results or frequently their lack Gerber notes the differences and striking parallels between the two programs and more broadly she traces the ways that other social institutions have attempted to contain the excesses associated with fatness and homosexuality Challenging narratives that place evangelicals in constant opposition to dominant American values Gerber shows that these programs reflect the often overlooked connection between American cultural obsessions and Christian ones

**The Stone-Campbell Movement** Michael W. Casey, Douglas Allen Foster, 2002 The religious reform tradition known as the Stone Campbell movement came into being on the American frontier in the early decades of the nineteenth century Named for its two principal founders Barton W Stone and Alexander Campbell its purpose was twofold to restore the church to the practice and teaching of the New Testament and by this means to find a basis for reuniting all Christians Today there

are three major branches of the Stone Campbell tradition the Christian Church Disciples of Christ Churches of Christ and Christian Churches Churches of Christ This volume brings together twenty six essays drawn from the significant scholarship on the Stone Campbell Movement that has flourished over the past twenty years Reprinted from diverse scholarly journals and concentrating on historiographic issues the essays consider such topics as the movement s origins its influence on the presidency its presence in Britain and its multicultural aspects In their introduction Casey and Foster reveal the connections between this scholarship and larger issues of American history religion and culture They note that David Edwin Harrell Jr and Richard T Hughes both of whom are represented in the collection have provided competing paradigms of the social and intellectual history of the movement While Harrell defends the legitimacy of the sectarian non institutional Churches of Christ Hughes legitimizes the current progressive movement found in Churches of Christ Casey and Foster propose six additional historiographic constructs as alternatives to those of Harrell and Hughes and assess each paradigm s implications for the scholarship of the movement The first major survey of research on the Stone Campbell movement in a quarter of a century this book will also serve as an invaluable resource for scholars of American religious movements in general The Editors Michael W Casey is professor the communication at Pepperdine University He is the author of *The Battle Over Hermeneutics in the Stone Campbell Movement 1800 1870 and Saddlebags City Streets and Cyberspace A History of Preaching in the Churches of Christ* Douglas A Foster is associate professor of church history and director of the Center for Restoration Studies at Abilene Christian University He is author of *Will the Cycle Be Unbroken Churches of Christ Face the Twenty First Century* and co author of *The Crux of the Matter Crisis Tradition and the Future of Churches of Christ* The Contributors Peter Ackers Louis Billington Monroe Billington Paul M Blowers Michael W Casey Anthony L Dunnavant David B Eller Philip G A Griffin Allwood Jean F Hankins David Edwin Harrell Jr Nathan O Hatch L Edward Hicks Richard T Hughes Deryck W Lovegrove John L Morrison Russ Paden Paul D Phillips William C Ringenberg Stephen Vaughn Earl Irvin West Mont Whitson Glenn Michael Zuber

Keep It Real Prof. Anne E. Streaty Wimberly, 2010-12-01 Offers the village of hope as a framework where pastors and leaders offer the church as a place of support guidance and accountability for youth parents and other adults who are raising today s black youth The first edition of *Working with Black Youth* edited by Charles R Foster and Grant S Shockley was published in 1989 Since that time the challenges for black youth have only intensified and grown in complexity A burning question of Black churches continues to be How can we effectively ministry with our youth Their world is fast paced media centered techno savvy hip hop violent and plagued with HIV AIDS The Church wants to guide youth toward a Christian identity with values for wise decision making Youth want their questions heard They want to see hope modeled They need leadership opportunities While there are no quick easy or singular approaches to working with black youth there can be a framework to offer vital and relevant youth ministry This book proposes a comprehensive framework that has evolved over ten years of annual youth and family convocations of the Interdenominational Theological

Center as well as youth and family forums and activities related to the Youth Hope Builders Academy of ITC The framework builds on the image of the congregation as a village of hope where pastors and leaders get real to offer the church as a place of support guidance and accountability for youth parents and other adults who are raising today s black youth Contributors Daniel O Black Philip Dunston Maisha I Handy Michael T McQueen Tapiwa Mucherera Elizabeth J Walker Herbert R Marbury Annette R Marbury and Anne E Streaty Wimberly *Practicing Baptism* Bård Eirik Hallesby Norheim,2014-02-19 Where is Jesus Christ This fundamental question is the starting point of this book which investigates the shape of Christian life and ministry in a post Christendom context Over the last decades there has been a shift in much of Western theology towards focusing on Christian practices in ministry and theological education This may be seen as a way to deal with theological anxiety in an era of heightened personal autonomy In *Practicing Baptism* Bard Norheim critically analyzes the engagement in Christian practices As a response to this engagement Norheim develops a missional and diaconal theology for ministry focusing on the presence of Christ in Christian practices Fundamentally this is an attempt to answer a pressing question for today What do Christians do Norheim draws on Martin Luther s theology and his notion of the three modes of Christ s presence the present tense of baptism and Luther s idea of the marks of the church Based on this reading of Luther s theology Norheim suggests that Christian life and ministry could be interpreted through the concept practicing baptism

**Visioning Augustine** John C. Cavadini,2019-04-29 The definitive compendium of Cavadini s essays on Augustine Visioning Augustine offers readers an expertly selected collection of essays exploring the text and history of the theology of Saint Augustine Prominent scholar and essayist John Cavadini offers modern audiences an innovative framework for understanding Augustine integrating articles and essays on significant texts historical and contemporary perspectives and insights into Augustine s development as a theologian Examining themes such as the transformation of the human will in *De doctrina Christiana* and Augustine s critique of philosophy in *City of God* Cavadini provides clear and accessible smaller size essays that serve as entry points for those interested in Augustinian scholarship The author s meditations on Augustinian texts invite readers to re evaluate their interpretations and learn about the subtle and sophisticated vocabulary of Augustine An encounter with Augustine the Christian theologian Cavadini contends is not a narrowly focused parochial experience but instead a challenge to enlarge our horizons Written by one of the most prominent Augustinian scholars and essayists in the field Addresses ecumenical and cultural issues that weaken contemporary interest in Christian faith Offers modern readers historical context on Augustinian theology Provides a single volume collection of Cavadini s essays on Augustine written over the course of more than two decades Accessible prose and intellectual sensitivity to modern theological problemsmake Visioning Augustine an indispensable volume for graduate students scholars and professionals in all areas of Christian theology **Apostolicity** John G. Flett,2016-05-23 At the heart of the ecumenical discussions over the past century lies the issue of what constitutes the apostolicity of the church In an attempt to forge structural agreements these discussions have

ignored the diversity of world Christianity In this groundbreaking study John Flett presents a bold account of an apostolicity that embraces plurality

**Shaped for Service** Paul Goodliff,2017-02-17 In the English speaking Western world alone thousands of men and women begin formal training for Christian ministry each year or informally seek to equip themselves for pastoral ministry Over the past fifty years the ancient world of virtue ethics has been reimagined as a means of forming people of character and morality today and in this book it is used as the framework to understand what we are doing as we form Christian ministers now and how we might strengthen that formation by more consciously linking the practices of ministry with the person spirituality and wisdom of the practitioner Writing out of the context of a lifetime of pastoral ministry and the oversight of ministers in the Baptist Union of Great Britain Paul Goodliff explores what pastors do and who they are called to be using a mixture of theological and pastoral inquiry reflections upon art and personal story This book will be of interest to those who are charged with forming the next generation of ministers but anyone starting out on that journey of formation for ministry will also find this vision of ministry challenging and inspiring

*Towards a Jewish-Christian-Muslim Theology* David B. Burrell,2014-01-07 Towards a Jewish Christian Muslim Theology delineates the ways that Christianity Islam and the Jewish tradition have moved towards each another over the centuries and points to new pathways for contemporary theological work Explores the development of the three Abrahamic traditions brilliantly showing the way in which they have struggled with similar issues over the centuries Shows how the approach of each tradition can be used comparatively by the other traditions to illuminate and develop their own thinking Written by a renowned writer in philosophical theology widely acclaimed for his comparative thinking on Jewish and Islamic theology A very timely book which moves forward the discussion at a period of intense inter religious dialogue

**Re-Imagining Nature** Alister E. McGrath,2016-05-16 Reimagining Nature is a new introduction to the fast developing area of natural theology written by one of the world s leading theologians The text engages in serious theological dialogue whilst looking at how past developments might illuminate and inform theory and practice in the present This text sets out to explore what a properly Christian approach to natural theology might look like and how this relates to alternative interpretations of our experience of the natural world Alister McGrath is ideally placed to write the book as one of the world s best known theologians and a chief proponent of natural theology This new work offers an account of the development of natural theology throughout history and informs of its likely contribution in the present This feeds in current debates about the relationship between science and religion and religion and the humanities Engages in serious theological dialogue primarily with Augustine Aquinas Barth and Brunner and includes the work of natural scientists philosophers of science and poets

**Living Black Theology** Anthony G. Reddie,2025-05-22 Living Black Theology provides a challenging and radical critique of the present world order It argues that the world as we experience it presently has its roots in the era of slavery and European colonialism especially the British empire the largest example of imperialism in human history Written by the first Professor of Black Theology in the history of

the University of Oxford Living Black Theology offers a bold reassessment of how we can rethink the past that will challenge our contemporary ways of living Ultimately this text seeks to help us reimage and remake the future one that is more equitable and just for all peoples This is a landmark book

**The Broken Body** Sarah Coakley, 2024-05-06 A fascinating collection of essays exploring a fresh contemporary approach to the person and doctrine of Jesus Christ How should Christians think about the person of Jesus Christ today In this volume Sarah Coakley argues that this question has to be broken open in new and unexpected ways by an awareness of the deep spiritual demands of the christological task and its strikingly apophatic dimensions by a probing of the paradoxical ways in which Judaism and Christianity are drawn together in Christ even by those issues which seem to break them most decisively apart and by an exploration of the mode of Christ's presence in the eucharist with its intensification breaking and re gathering of human desires In this sequel to her celebrated earlier volume of essays Powers and Submissions Coakley returns to its unifying theme of divine power and contemplative submission and weaves a new web of christological outcomes which remain replete with controversial implications for gender spirituality and ethics The Broken Body will be of interest to those working in the fields of systematic theology philosophy of religion early Christian studies Jewish Christian relations and feminist and gender theory Fusing biblical and patristic theology analytic philosophy and spiritual tradition Sarah Coakley has produced a fascinating inspiring and compelling account of Christ's identity and its importance for questions of life Professor Mark Wynn University of Oxford Coakley argues that good Christology arises only from intellectual and spiritual postures learnt by encountering Christ openly This volume subtly and powerfully facilitates such encounter with God and in him with our neighbours especially the Jewish people Professor Judith Wolfe University of St Andrews Everything we have come to expect from Sarah Coakley is here in this extraordinary collection wonderful clarity startling and fruitful comparisons within and beyond the theological canon a brisk defiance of feminist conventions that in turn sharpens and deepens feminist analysis a resistance to cheap theological certainties and an abiding faithfulness anchored in Christ borne aloft by the Spirit Christology is here shown to embrace abjection and jouissance to advocate sacrifice that is itself the end of patriarchal violence and to demand a eucharistic sharing that is incomplete without solidarity to the outcast and the poor themselves the face of the living Christ In these essays Coakley exemplifies the semiotic richness of priest and scholar a breaking open of theological reserves that will transgress startle renew instruct This is sacrifice re made Professor Katherine Sonderegger Virginia Theological Seminary

*Reconsidering Johannine Christianity* Raimo Hakola, 2015-04-10 Reconsidering Johannine Christianity presents a full scale application of social identity approach to the Johannine writings This book reconsiders a widely held scholarly assumption that the writings commonly taken to represent Johannine Christianity the Gospel of John and the First Second and Third Epistles of John reflect the situation of an introverted early Christian group It claims that dualistic polarities appearing in these texts should be taken as attempts to construct a secure social identity not as evidence of social isolation

While some scholars most notably Richard Bauckham have argued that the New Testament gospels were not addressed to specific early Christian communities but to all Christians this book proposes that we should take different branches of early Christianity not as localized and closed groups but as imagined communities that envision distinct early Christian identities It also reassesses the scholarly consensus according to which the Johannine Epistles presuppose and build upon the finished version of the Fourth Gospel and argues that the Johannine tradition already in its initial stages was diverse

*Transcending Subjects* Geoffrey Holsclaw, 2016-04-18 *Transcending Subjects* Augustine Hegel and Theology engages the seminal figures of Hegel and Augustine around the theme of subjectivity with consideration toward the theology and politics of freedom

*Decolonizing Discipline* Valerie E. Michaelson, Joan E. Durrant, 2020-09-04 In June 2015 Canada's Truth and Reconciliation Commission released 94 Calls to Action that urged reform of policies and programs to repair the harms caused by the Indian Residential Schools *Decolonizing Discipline* is a response to Call to Action 6 the call to repeal Section 43 of Canada's Criminal Code which justifies the corporal punishment of children Editors Valerie Michaelson and Joan Durrant have brought together diverse voices to respond to this call and to consider the ways that colonial Western interpretations of Christian theologies have been used over centuries to normalize violence and rationalize the physical discipline of children Theologians clergy social scientists and First Nations Inuit and Métis leaders and community members explore the risks that corporal punishment poses to children and examine practical non violent approaches to discipline The authors invite readers to participate in shaping this country into one that does not sanction violence against children The result is a multifaceted exploration of theological debates scientific evidence and personal journeys of the violence that permeated Canada's Residential Schools and continues in Canadian homes today Together they compel us to decolonize discipline in Canada
