Return to Me, My Love John P. Schwulst,2010-05 *Return to Me My Love* is an in depth look at the end times prophecies concerning the Jews and Israel as seen through the eyes of St John the Revelator Most books on the Revelation attempt to interpret what John was trying to say but contend that he couldn t find the correct words to describe the visions he was given Such interpretations are not very helpful in the understanding the Revelation or the entire panoply of end times prophecy for that matter The Revelation defines and explains each of the terms it uses if the reader will carefully consider John s words in light of all the prophecies of the Old and New Testaments taken together as a whole This book does exactly that It is a literal approach to the study of Prophecy Over 500 pages of additional research materials are available on line to prove what is contained in the book In *Return to Me*

My Love the author assumes the role of St John as he explains each verse of the Revelation to his reading audience and shows them how it foretells the entire counsel of God concerning the Last Days In this book the reader will be shown how God took the people of Israel as his wife but after bearing with their centuries of apostasy against him he finally wrote them a Bill of Divorce and sent them away Yet the Lord was not done with Israel and just as he wrote in Hosea he was determined to allure her and eventually bring her back to him We are seeing that story being played out as we watch the modern State of Israel struggle without her Messiah Jesus The Tribulation that is coming in last days Israel will be God s way of testing his Jewish people purging the nation of its apostasy and taking back the remnant of his Chosen People to be his wife hence the title of the book This is a must read and is unlike anything currently available on prophecy Every Christian needs to understand prophecy in order to be ready to assist the Jews when their time of trial begins *Return to Me : A Tragic Gay Romance* James Oliver French,2014-11-23 What would you do if the man you loved vanished without a trace Kyle and Todd meet at a party in their freshman year at college They fall in lust at first sight then deep in love In spite of Kyle s melancholy past their future together looks bright Then Kyle disappears leaving Todd heartbroken and alone and their dreams in ruins Fifteen years later Todd is a successful but lonely psychiatrist He still hasn t come to terms with the loss of his first love When a dangerous amnesiac arrives at the hospital Todd is forced to confront the past and is driven to find answers to the questions that have haunted him all these years Praise for Return to Me A powerful off the grid and fascinating read 5 stars from The Novel Approach I didn t know just how much I was going to end up loving James Oliver French s debut novel despite how much it shattered my heart into little pieces 5 stars from Sinfully Sexy Book Reviews one of the best I have read this year and there have been quite a few to choose from 5 stars from Multitaskingmamma This author has written one of the most brilliant and heartfelt stories 5 stars from Gay Media Reviews I haven t read many m m books but this one absolutely blew me away 5 stars from R J Prescott author of The Hurricane It takes phenomenal talent for an author to touch a reader so deeply 4 5 stars from The Smutsonian Oh My God There goes my early night 4 stars from Boy Meets Boy Reviews

[Return to Casablanca](#) André Levy,2015-11-04 Moroccan born Israeli anthropologist Andre Levy here presents a deeply nuanced and highly readable study of the relations between Moroccan Jews and Muslims past and present Levy s return to his birthplace in Casablanca proceeds through several interrelated settings There is the first encounter of return fraught with fear and uncertainty when as an Israeli arriving with papers granted by a third nation to come back to a country that has both repelled him and encouraged his permanent return he finds his worries multiplied by the events of the Gulf War As if he were behind enemy lines he approaches everything with understandable trepidation only to discover directly what he had long known intellectually that Morocco continues to relate to its Jewish population with all the features of its historic ambivalence and ambiguity on full display As he moves through the different contexts and domains of his return he addresses these factors in ways both personal and analytic As the book progresses the reader is introduced to a variety of other contexts of the Moroccan Jewish experience From the card players and beach etiquette to the shared use of public baths and the visits by Muslims to Jewish ritual events the reader catches the sense of old patterns now approached with great wariness by a population that is much diminished both in size and in the daily experience of the dominant Muslim population Moroccan Voyage is an exceptional read and should be ideal for use in a variety of courses in anthropology Jewish studies and Middle East studies

The Warren Commission Report President's Commission on the Assassination of President Kennedy,U.S. Government,2020-07-03 Warren Commission Report is the result of the investigation regarding the assassination of United States President John F Kennedy The U S Congress passed Senate Joint Resolution 137 authorizing the Presidential appointed Commission to report on the assassination of President John F Kennedy mandating the attendance and testimony of witnesses and the production of evidence After eleven months of the investigation the Commission presented its findings in 888 page final report The key findings presented in this report were that President Kennedy was assassinated by Lee Harvey

De Graaff, 2025-06-20 Scripture's compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re-connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives Metánoia (Repentance) ChoongJae Lee, 2020-04-13 Matthew describes the beginning of Jesus's ministry with the summary words repent turn for the kingdom of heaven is at hand 3 2 4 17 Why does Matthew use this command at the beginning of his ministry and how does it relate to the rest of the Gospel What do and mean Scholars have stated that in 4 17 has critical value for understanding Matthew because the verse functions as a summary statement or key phrase of Jesus's public ministry and teaching This book argues the thematic significance of turning repentance in the Gospel of Matthew The lexical idea of and involves a turning of mind or heart will thinking and behavior and so in turn of one's whole being and life This opening commandment of turning especially the concept the essence and the contents is fully revealed throughout the body of Matthew in various ways Discipleship the language of righteousness doing the will of God changing one's heart and mind the Great Commission and Matthean soteriological theme convey the essence of and the contents of the fruit worthy of 3 2 8 4 17 The five major teaching blocks 5 7 10 13 18 23 25 teach the theme and the content of
