Schrock, 2014-01-06 God has prepared a kingdom John 14 1 3 through Jesus Christ our Lord The kingdom is free and available to all willing to be a child of God Romans 8 14 Inheriting the kingdom of God does not take place by desire Nor can it be entered into by force Its not a place that you can see or touch or feel or search for on a map It is not a place it is a relationship It is the relationship mankind has with their Creator God when they surrender their all to Him allowing Him to be the King of every aspect of their lives Thus they become the children of God Dear children do not let anyone lead you astray The one who does what is right is righteous just as he is righteous The one who does what is sinful is of the devil because the devil has been sinning from the beginning The reason the Son of God appeared was to destroy the devils work No one who is born of God will continue to sin because Gods seed remains in them they cannot go on sinning because they have been born of God This is how we know who the children of God are and who the children of the devil are Anyone who does not do what is right is not Gods child nor is anyone who does not love their brother and sister 1 John 3 7 10 The kingdom or inheritance of God is entered into by the righteous Its entered into by those who recognize they are lost sinners who have been redeemed by the blood of the Lamb

M. Seckinger,2023-03-20 The kingdom of heaven what is it exactly Only one book in the Bible uses this terminology the gospel of Matthew and it presents it thirty three times in just twenty eight chapters Though the kingdom of God appears as well in the work it appears separate from the kingdom of heaven and in full alignment with the seven kingdom types of Scripture In substance this kingdom relates to the literal reign of Christ on earth But Matthew uses it more to refer to the time just before it is set up on earth He uses it more to speak of conditions that are to exist at the end of the tribulation prior to the kingdom age This makes his presentation unique and unlike any other In its prime position which is first and foremost in the order of the gospels and first and foremost in the order of the New Testament this gospel lays the groundwork for all that comes after it and is said by others Written from a disciple s perspective it reveals the inner workings of Jesus s ministry on earth going beyond the teachings and miracles to give the purpose behind these things and explain what was going on behind the scenes showing that more than Christ Jesus was the Savior of the world and a King The title King of kings and Lord of lords from the last book of the Bible resonates with the account The gospel follows a theme from beginning to end Every part contributes to the whole The textual arrangement of prophetic precision brings everything together And though written to Jews of the first century shortly after the time of Jesus s ascension grasped today these timeless truths compel one to live the Christian life on a higher plane **A Revelation of the Kingdom of Heaven** Romel Duane Moore Sr,2019-07-16 The arrival of Jesus the King also initiated the introduction into something that had never before been available since the fall of man in the Garden of Eden the Kingdom of Heaven The message of John the Baptist and Jesus was more than a fresh revelation from Heaven After 400 years of Israel s spiritual famine when these two men began to preach Repent for the Kingdom of Heaven is at hand God was literally announcing the establishment and worldwide influence of Heaven on earth Jesus used an ancient form of teaching called parables to relay the message of the Kingdom of Heaven Within His parables are the truths and keys of the Kingdom needed to properly understand exactly what the Kingdom of Heaven is and how it works This book will endeavor to bring insight and understanding concerning Jesus parables about the Kingdom of Heaven and bring the reader to precise conclusions revealed from Jesus own Words In the end you will comprehend how the Kingdom probably is not what you ve previously been taught to believe *Matthew (Teach the Text Commentary Series)* Jeannine K. Brown,2015-04-14 The

The newest release in this innovative commentary series is Jeannine K Brown's treatment of the Gospel of Matthew **Rethinking the End of the World** B. L. Cooper, 2015-06-01. Since the day Jesus ascended into heaven, the church has eagerly awaited his second coming. And during the intervening years, too many Christians have focused their study of the Bible entirely on discovering the end-time signs of his coming. Does Jesus expect us to focus on dates and signs, or does he want us to instead develop a healthy and mature apocalyptic spirituality as we await his coming and the culmination of his plan of redemption and restoration? Many of today's Christians lack a basic understanding of apocalyptic spirituality or do not understand God's mission through the church. Consequently, they fail to see and appropriate the rich truths that can be learned and applied to their lives today. Yes, Revelation is a book for today. This book begins by explaining how the historic misinterpretation of end-time Biblical literature has distracted Christians from their true spiritual development and mission. It then explains how developing a proper apocalyptic spirituality can lead believers to healthy applications of end-time teachings. Discover how apocalyptic Biblical literature can help you see the redemptive work that God has in store for us today while we await his imminent return. *"The Kingdom of God is at Hand"* Rolf J. Pöhler, Kerstin Maiwald, 2025-08-28. The Kingdom of God is at Hand. Adventist Interpretations of Biblical Apocalypticism offers nineteen papers presented at the 4th International Symposium of the Institute of Adventist Studies at Friedensau Adventist University, Germany, April 26-29, 2021. The contributions represent current Adventist scholarship from four continents: Europe, North America, Africa, and Australia. Well-versed in their fields and knowledgeable about their subjects, the authors are dealing with Christian apocalypticism from biblical, historical, theological, and practical perspectives. Originating from the 19th-century Millerite movement, Seventh-day Adventism is deeply affected by apocalyptic thinking. By looking at the Adventist faith tradition from a scholarly point of view, this volume hopes to contribute to an apt assessment of apocalyptic eschatology. *The Messages Of Rediscovering the Kingdom* Myles Munroe, 2006. When governments collapse, human philosophies fail, and your life is crashing down around you, Rediscovering the Kingdom will become your guide through the treacherous storms of the 21st century. All of the past ideologies have failed: humanism, communism, totalitarianism, fascism, socialism, and even democracy. This is a philosophy, an ideology that will not fail for it was borne in the heart of God Himself. As Dr. Munroe unveils the reality and the power of the Kingdom of God, you will be challenged to the core of your religious soul as you discover realities that few have seen, let alone talked about. Rediscovering the Kingdom will defy almost every concept you have about religion as it shifts the focus away from religion towards the ultimate issue: the Kingdom of God. *Container The Kingdom of Heaven* Vernon Kerry Inman, 1983-06. *The*

Daniel and Revelation Ed Pittman,2020-07-07 In 1987 when Ed joined a new church the pastor was teaching on the book of Revelation Ed so enjoyed the teaching that he decided to read what others had to say about Revelation He quickly learned that there were many different interpretations of Revelation and other books of the Bible that contained prophecy about the end times or latter days He decided that he needed to do more reading and study of scripture as well as books written by others so he could come to his own understanding of what God was telling us about how He would bring things to an end After much reading and prayer his focus narrowed primarily to the books of Daniel and Revelation The book of Daniel is about Israel in the time before Christ The prophecy in Daniel begins with the Babylonian kingdom and continues through the Roman kingdom in such detail and accuracy that many believe it was written much later and is more historical than prophetic It also tells us about the later kingdoms but in a much broader sense and less detail The book of Revelation written by John on the island of Patmos tells us about the kingdoms that come after the Roman kingdom Revelation tells us in great detail about Christ s message to the seven churches and the seventieth week of Daniel s prophecy of seventy weeks of years This includes the breaking of the seven seals the blowing of the seven trumpets and the pouring out of the seven bowl judgments Lastly it tells us the good news about the return of Christ and the establishment of His kingdom **The**
