Jésus-Christ ,1847 **The Priest Barracks** Guillaume Zeller,2017-05-03 At the Nazi concentration camp Dachau three barracks out of thirty were occupied by clergy from 1938 to 1945 The overwhelming majority of the 2 720 men imprisoned in these barracks were Catholics 2 579 priests monks and seminarians from all over Europe More than a third of the prisoners in the priest block died there The story of these men which has been submerged in the overall history of the concentration camps is told in this riveting historical account Both tragedies and magnificent gestures are chronicled here from the terrifying forced march in 1942 to the heroic voluntary confinement of those dying of typhoid to the moving clandestine ordination of a young German deacon by a French bishop Besides recounting moving episodes the book sheds new light on Hitler s system of concentration camps and the intrinsic anti Christian animus of Nazism **Le Nouveau Testament** ,1847

Teacher in Biblical Texts and Their Reception Bart J. Koet,Gearard O Floinn,Archibald L. H. M. van Wieringen,2025-09-29 What makes a good teacher From Socrates to John Dewey educators have long sought to define the essence of teaching and learning Yet one rich tradition often overlooked in these discussions is the biblical tradition In Models of the Teacher in Biblical Texts and Their Reception readers are invited to explore a vibrant tapestry of biblical figures and texts that have shaped challenged and inspired generations of learners This volume offers a unique series of encounters with biblical teachers and those who have engaged with their teachings throughout history Considering a wide array of roles lecturer writer pastor or even an imaginative medium like a computer game the book presents a colorful palette of teaching models These diverse approaches not only reflect the dynamic nature of education but also offer enduring inspiration for educators and learners today **Faiblesse et force, présidence et collégialité chez Paul de Tarse** Loïc Berge,2015-05-12 In 2 Cor 10 13 as in the entire Pauline corpus the use of the first person plural is surprising Paul oscillates

between singular I and plural We sometimes within the same sentence While this literary feature has never been seriously explored this study undertakes in the first part an investigation of the meanings of we in ancient Greek texts through several literary genres from Homer to the Hellenistic period The second part devoted to 2 Cor 10 13 shows the neat architecture of these chapters and the way the key theological message about weakness and power is delivered Also the occurrences of We and I throughout the text reveal a further underlying theology of authority En 2 Co 10 13 mais aussi dans l'ensemble du corpus paulinien l'utilisation de la première personne du pluriel est surprenante Paul passe souvent du je au nous et inversement parfois dans la même phrase Ce trait littéraire n'ayant pas encore été examiné de manière approfondie la présente étude commence par une enquête sur les sens du nous dans plusieurs genres littéraires dont le genre épistolaire d'Homer jusqu'à l'époque hellénistique La seconde partie consacrée à 2 Co 10 13 montre l'architecture soignée de ces chapitres ainsi que la manière dont Paul communique le message théologique sur la faiblesse et la force L'alternance des nous et des je exprime en outre une véritable théologie de l'autorité apostolique
